Constitution

NAME

Article 1. This body shall be known as the West Chowan Baptist Association of North Carolina.

MEMBERSHIP

Article 2. It shall be composed of Messengers elected by the churches connected with this body and all ordained ministers who are pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two Messengers, and for each additional one hundred members, an additional Messenger, provided that no church shall have more than ten messengers.

PURPOSE

Article 3. The purpose of this Association shall be to inspire, encourage, and enlist its membership in a spirit of brotherly love and cooperation, for the promotion of the entire program of our denomination; to the end that the gospel of our Lord and Saviour Jesus Christ might be proclaimed with greater power and effectiveness in our Association, our State and Nation, and unto the uttermost part of the world.

POWERS AND PREROGATIVES

Article 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor a court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. There shall be full recognition of the autonomy of the local church and there shall be full recognition of the autonomy of the Association. However, in view of the combined wisdom, piety and intelligence of the Association, it justly claims the very highest consideration and regard for itself, its objects and its recommendations.

Article 5. Any Baptist church in good standing approving the design, objects and principles of this Association, and holding the same doctrines and ordinances, may be admitted into fellowship upon two-thirds vote of the messengers. All applications shall be referred to the Membership Committee for study. Church desiring membership should give notice by making application one year in advance.

Article 6. The Association may dissolve its relation with any church that consistently refuses to support the design, objects and principles of the West Chowan Baptist Association. Any irregularities which are reported shall be referred to the Membership Committee who will report their findings to the next Associational meeting. The relationship may be dissolved by a two-thirds vote of the messengers one year after irregularities have been brought to the attention of the Association.

RIGHTS AND DUTIES

Article 7. Every church shall be requested to contribute a percentage of its gifts, or so much per resident member for defraying the expenses of the Association and for direction of the promotional, education and missionary work of the Association. This percentage or amount shall be sent to the Associational Treasurer monthly by each church Treasurer.

Article 8. Every church will send to every annual session of the Association a Letter on the form adopted by the Association with such additional information as it may deem fitting.

Article 9. Any church wishing to dissolve its relationship with the Association in order to transfer to another association may do so with a majority vote at any regular Associational meeting.

ORGANIZATION

Article 10. The Officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk, a Treasurer, a Parliamentarian, a Director of Sunday School, a Director of Church Training Program, a Director of Brotherhood, a Director of Woman's Missionary Union, and a Director of Music. They shall be elected at each annual session on the first day. The term of all Officers shall commence at the conclusion of the annual session at which they are elected and continue until their successors are elected at the next session of the Association. The Moderator and Vice-Moderator may not be elected for more than two consecutive years. All nominations may be made by the Committee on Nominations.

Article 14. It shall be the duty of the Treasurer to receive, safeguard and distribute all funds of the Association. Disbursement of funds shall be in accordance with the budget adopted by the Association. Non-budget items shall be approved by the Finance Committee of the General Board. 12. The Moderator recognized Vincent Young, Associational Sunday School Director, for a report. The following report was adopted.

SUNDAY SCHOOL REPORT

The 1975-76 Sunday School Year proved to be an exciting time for our Convention and our Association. Many churches across the Convention continue to grow because of Bus Evangelism. A new program of Outreach was also received with great enthusiasm. This program, called "ACTION", has been presented to our Association with some of our churches using it for their outreach efforts.

Emphases for the 1975-76 Sunday School Year were centered arount the Reach-Out program and greater involvement of the Pastors and Directors. The Association conducted a one-night workshop to promote the Sunday School Emphasis of 1975-76. The workshop included 3 clinics. One, the Pastor-Director Clinic, sought to promote a greater working relationship between the Pastor and the Sunday School Director as together they led the Sunday School

Council (SS Officers and Teachers) in planning, promoting, and executing an expanding Bible Study program in the church. The Outreach Clinic enabled those who attended to have a greater awareness of the need to reach out and bring in those not in Sunday School. The third clinic previewed the new "ACTION" program of Sunday School Outreach.

In November our Association was involved in a Sunday School High Attendance Day. Many of our churches reported record-breaking attendance on that day.

During February some of our churches promoted High Attendance using the "Five Fabulous Sundays" of February.

In March our Vacation Bible School Team went to Wingate College for the State VBS Clinic. We were delighted to have a complete Team to attend the various age-level conferences and two to attend special conferences. One of these special conferences was for the work related to the exceptional person. The other special conference was for new VBS work. This conference dealt with Mission VBS and Back-Yard Bible Clubs.

In April we held two Associational VBS Clinics. The first, on April 13, a daytime clinic, was held at the Mars Hill Baptist Church. The second, April 27, a night clinic, was held at the Woodland Bapist Church. These two clinics were well attended, and as a result all of our Vacation Bible Schools were improved.

June through August were filled with Vacation Bible Schools. Forty-eight Bible Schools were reported and one Mission VBS.

We ask that you as an Association pray for our Sunday School work and its leaders as we approach a new year.

Respectfully submitted,
R. Vincent Young, Director

13. The Moderator recognized Walter Hill, Church Training Director for his report. His report as follows was adopted.

CHURCH TRAINING AND MINISTRIES REPORT

This has been a year with very few activities in Church Training and Ministries in the West Chowan Association. Yet the activities that were planned were very effective and helpful to all that attended. The "M" Night program with the Bethel Church being our host was very good with a high attendance. The Deacons' Retreat that was held at Chowan College was a great success. There were men from many of the churches of our Association. The Youth Night program was very good which was given by a team of Gardner-Webb Students. The Aulander Church served our refreshments for us and was a very good host.

As I look back over the year, I can see where some progress was made, and also discovered some new inroads for plans for the coming Associational year with your cooperation.

We are looking toward an exciting year with another Deacons' Retreat in February for all deacons of our Association and Pastors. We urge you now to encourage your deacons to attend this retreat. Plans are in the making for a Senior Citizen Retreat in the coming months. There are plans being made for an Associational Youth Camp for the junior and senior high youths of our association.

Yes, I am getting excited about how we will advance together in a more effective Christian witness in our churches and Association.

Respectfully submitted,
Walter F. Hill, Director

14. The Woman's Missionary Report was given by Mrs. Walter Jones, Director. She brought the following report which was adopted.

WMU REPORT

We celebrated the Bicentennial year of our country at our 81st Annual Meeting at the Cashie Baptist Church on April 1, 1976 with a full house. Cashie was an historical and appropriate set-

ting for this meeting, as they had already passed their 200th Birthday. The ladies attending were beautifully dressed in their period costumes. Dr. Cecil Ray, newly elected Executive Secretary-Treasurer of North Carolina Baptists, was the guest speaker at the evening session. The theme for the meeting was "Let Christ's Freedom Ring." The history of Woman's Missionary Union of the West Chowan Association was updated and brief highlights were given during the two sessions.

West Chowan led second in the state in giving to the Heck-Jones Memorial Offering in 1975. This year we wanted to give more; so in conjuntion with the Bicentennial we completed a Cookbook of favorite recipes from across the Association. We sold 2,500 books at $3.50 each. Proceeds of the profits went to the Heck-Jones Memorial Offering totaling $3,800.00. This was in addition to our regular offering in June. This project was all we expected it to be, and more!!

A "Pastor-Appreciation" Banquet was held in January at the Conway Church with the BYW's of the Galatia Church being hostess to the dinner. A tribute was given to each pastor by their church WMU Director. The Pastors and their wives, Church WMU Directors and their husbands, and the Association WMU Executive Council and their husbands, were in attendance.

The Baptist Women, Baptist Young Women, and Acteens, each held organized Association meetings this year, and formed Councils.

We had to work much harder this year to maintain the Achievement of Distinguished; but all the work put forth was well worth the effort. Without the teamwork of the Executive Council, and the cooperation of the churches, this would have been impossible.

Thank you for your prayers and support during my 4 years tenure in office.

Respectfully submitted,
Mrs. Walter S. Jones, Director

BROTHERHOOD REPORT

The Brotherhood seeks to get the men in our churches more involved in missions and active in their work for the Lord. Many of our churches reported a good response to the observance of Baptist Men's Day in January when laymen were given the opportunity to conduct the entire Morning Worship Service. In the spring, a Training Session was held at Askewville Baptist Church. A Men and Boys Rally was held on March 16 at Creech Memorial Baptist Church in Ahoskie with Missionary Charles Wiggs of Korea as guest speaker. Our RA Track Meet was held at Chowan College in May and the winners participated in the State Track Meet at Campbell College on May 21. On August 27-28, Henry Powell, Robert White, and Bobby Goodman attended the Training Conference for Regional Brotherhood Workers at Camp CaRAway. I urge the churches to establish and upgrade the RA and Baptist Men's programs and get the men involved in active Missions in our communities.

Mt. Tabor is located in the West Chowan Association, Hertford County, on Highway 158 between Murfreesboro and Winton, six miles from Murfreesboro and five miles from Winton, just west of Potecasi Creek.

The land on which the buildiing stands is a part of the William Jones tract of land and was at first loaned to the Church, but finally sold to it when the building was repaired in 1859 according to the following deed.

William Jones to William Dunning, Pleasant Jordan, R. B. Cobb, Henry Griffith, and John Gatling, officers of the Church while worshipping at Mt. Tabor, dated December 1, 1859 at a price of $25.00, consisting of six acres more or less.

Gatling were appointed to assist in canvassing the Church for funds on an endowment for Wake Forest College. They collected $34.50.

Many of our members have wrought worthily and well, but those most worthy of mention for their labors are Dr. R. T. Vann and Mrs. John P. Holloman.

Brother R. T. Vann was ordained for the ministry in this Church in November, 1874. The Presbytery consisting of Elders A. McDowell, John Mitchell, R. R. Savage, and J. N. Hoggard. Dr. Vann has held several important pastorates in this state and was for a number of years president of Meredith College. Since leaving Meredith he has held positions with the State Mission Board.

Mrs. J. P. Holloman and Miss Grace Brown were pioneers in mission work in this Church and other neighboring churches in The West Chowan Association. This part of our history brings us up to the year 1930.

During the next several years there were no historical events which are significant historically other than the fact that we were blessed by the Lord to make slow progress and to work toward the advancement of His Kingdom's work.

Now I would like to give some very interesting history relating to Mt. Tabor during the Civil War.

A detachment of Federal troops came up Chowan River and invaded Winton, N. C. and burned the town on February 20, 1862, which was the first town burned in North Carolina during the War. The Court House and all its County records which was a great loss to the county along with all the other things which were destroyed still affect us today.

After destroying Winton, our County Seat, the Federal troops proceeded on their drive along the route which is known today as Highway 158 toward Mt. Tabor.

The Confederate troops under the command of Col. Hinton set up headquarters on the Church grounds and prepared breastworks just west of Potecasi Creek and the trench can be seen today that was used by our troops.

The Confederate troops burned the bridge across the creek to aid in an attempt to stop the Federal troops at this point. The major battle was fought at Potecasi Creek on July 26, 1863, and a number of references are in our church minutes stating that there were no services at the church on account of a Yankee raid at the creek. The Church appointed a committee to see Col. Hinton to ask him to take care of the grove which is the Church grounds today where his headquarters were located. The Confederates were defeated in this battle at the creek so the Yankees proceeded on through Murfreesboro.

The Yankees objective was to drive on Weldon, N. C. to destroy the Atlantic Coastline Railroad leading to Richmond, Va. This railroad was transporting supplies to the Richmond area.

The Yankees were successful in their drive on Weldon until they met Gen. Mat W. Randsom who was prepared for a battle at Boon's Mill near Jackson who was successful in defeating the Yankee troops at this point.

I continue by referring back to our history and progress during the last twenty-five years.

In the last twenty-five years we at Mt. Tabor under the leadership of our dedicated pastors and by the grace of God have been blessed with the following improvements to our Church building. We installed a water system and restrooms. We had the floors finished and carpeted. Memorial windows were added in the sanctuary. The choir loft was remodeled. We had new pews and pulpit furniture installed. We purchased an organ. We added new light fixtures. We installed central air conditioning and heating. We painted the building and roof.

We feel humbly grateful to the Lord for his many blessings and leadership and making it possible to accomplish these improvements.

We joined the Union Baptist Church in 1963 as a field of two churches which has been a very great blessing.

Respectfully submitted,
Z. Vance Futrell

36. Henry Powell, Associational Director, gave his report which follows.

REPORT OF THE DIRECTOR OF ASSOCIATIONAL WORK

Two questions most often heard by an Associational worker are: "Who is He?" and "What does he do?" Both of these are very good questions.

Since most of our churches do not have Sunday evening and /or midweek services, the only opportunity that most will have to see the Associational Director is limited to an occasional Sunday morning visit to the church. Since there are 60 churches in the Association and only 52 Sunday mornings in the year—and if a person just happened to be absent that one Sunday morning that the Director was present for Sunday School and the Morning Worship Service, that person could go for 2 or more years and never see the Director at his church. Thus the question, "Who is He?"

In answer to this first question, the Associational Director is usually an ordained minister, a graduate of one of our Baptist Colleges and Seminaries. Many today are veteran Associational workers with years of experience in Associational Mission work.

He is a paid employee of the Associaiton; rather than an elected official. This means that his only authority is that of influence rather than official delegated authority of the Association. He has absolutely no authority or control over the elected Associational Officers, Organizations, or the churches of the Association.

"What, then, does He Do?"

In his relation to the Churches, he seeks to serve them and assist them in any way possible when called upon to do so.

As a minister, there are many opportunities to preach in the churches upon invitation of the pastor or the church. This includes the regular Sunday worship services, revivals, Special services such as ordination, Homecoming, etc. This past year I have shared in all of these here in our church.

There are many opportunities to teach: Sunday School on Sunday morning, Vacation Bible School (the Adult study of Revelation in 2 churches last summer); the January Bible Study (5

last January) and other Leadership Training courses, Mission Studies, etc.

There are also many, many Committee meetings, counseling sessions with committees and other church leaders throughout the year.

On the Associational level the Director works with the Associational leaders, Committees, organizations in planning, promoting the work of the Association. Last year there were a number of special Associational activities that called for many Committee and individual conferences:

Our Associational Church Training organization planned and promoted the week-end Deacons Retreat at Chowan College, beginning with Friday supper and concluding with Saturday lunch. Our State Church Ministries & Training Department assisted with leadership, planning, promotion, and financing. It was a most successful undertaking. There was Baptist Youth Night in April. An Evangelistic Team from Gardner-Webb College came to present the program. It was an outstanding program. World Missions week was all that could be expected. 46 churches shared in the week. Other Associational activities included: Vacation Bible School Clinics, Pastor—SS Director Planning Workshops, Conferences for Church Clerks, Associational WMU Conferences for Church Leaders, etc.

We have tried to promote the various emphases and phases of our State & SBC World Missions work.

The Associational office is always open to all of our people for conferences, counsel, or any way that we can be of service to our West Chowan Baptist people.

37. Report on Christian Higher Education was given by Dr. Hargus Taylor, Chaplain at Chowan College. The report was adopted.

REPORT ON CHRISTIAN HIGHER EDUCATION

A careful reading of North Carolina Baptist history reveals that the Baptist State Convention was organized primarily for the purpose of establishing a Baptist College. When the Convention was formed in 1830, there were 2 church academies already in existence, as well as the University of North Carolina in Chapel Hill. However, Baptists wanted their own school. Wake Forest Institute was begun in 1834. Five years later the Institute became Wake Forest College. Thus, Baptists in this state have been closely identified with Christian higher education for 142 years.

Today, the Christian higher education system of N. C. Baptists embraces six other colleges in addition to Wake Forest University: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, and Wingate. Since 1944, these schools have been guided in their development by the Council of Christian Higher Education of the Baptist State Convention. The Council is the only organization of its kind in the Southern Baptist Convention, and is one of the oldest educational cooperatives in America.

It is not enough that North Carolina Baptists have begun and now support six colleges and one university. As important as history and tradition are, they cannot substitute for warm, vital relationships in the present. The need for colleges and churches to give fresh attention to their partnership and their mutual dependence is always present. Listed below are some of the ways this partnership finds tangible expression year after year:

1. North Carolina Baptists continue to support their colleges through the Cooperative Program and the Baptist College Day Scholarship Offerings on Father's Day.
2. The colleges continue to provide training for most of the pastors and other church staff persons who lead North Carolina Baptist Churches.
3. Pastors have helped the colleges in their efforts to recruit Baptist young people by furnishing the names of high school students for contact by the colleges.
4. The colleges pledge to North Carolina Baptist youth that financial aid is available to assist them in attending a Baptist college. No qualified student is turned away for financial reasons. Grants, loans, and work scholarships are available.

5. Churches, pastors' conferences and Associations invite the colleges to send students and faculty to speak and lead programs.

6. Baptist Colleges are anxious to receive invitations to serve the churches and Associations. Each of the colleges is prepared to send speakers upon request.

There are 53 colleges supported by the various Baptist state conventions. The enrollment of the 7 N. C. Baptist colleges comprises about 15% of the total enrollment of these 53 schools. While the Southern Baptist Convention does not own any colleges, there is a strong emphasis by the denomination upon Christian Higher Education through the SBC Education Commission. In the BAPTIST FAITH AND MESSAGE, adopted by the Southern Baptist Convention in 1963, the following statement occurs: "The cause of education in the kingdom of Christ is coordinate with the causes of missions and general benevolences and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people."

Baptist colleges reaffirm their gratitude for the support given by Baptists through the Cooperative Program. We further reaffirm our faith in and our support of the local church, the broad programs of our denomination.

46. David Griffin, pastor of Ross and Bethany churches, read from John 1 and led in prayer.

47. Mrs. Edward Coker read the history of the Potecasi Baptist Church.

HISTORY OF THE POTECASI BAPTIST CHURCH

The earliest mention of the Potecasi Church was during a series of revival services held in 1773-1775. In 1773, Lemuel Burkett, then 23 years old, attended for the first time the Kehukee Association meeting. He was placed on a committee of three to investigate the situation in the Bertie Church (later named Sandy Run) near Roxobel, N. C. and advise measures which would be likely to regain a general fellowship in the church.

In 1773, Elder Burkett was chosen as pastor to the Bertie Church. Under his leadership, the Sandy Run Church witnessed a great revival, which began in 1773 and continued for two years. Nearly 150 members were baptized in 1773 and names placed on the Sandy Run roll.

It was during this series of the revival that there was congregation gathered at Potecasi in Northhampton County. A number of the members of Meherrin church made a defection and joined the congregation at Potecasi. Here we continued to worship for thirty-four years as a branch of Sandy Run, under the leadership of Elders Lenuel Burkett and James Vincent. Prior to the building of the first church, the congregation worshipped under a brush arbor. In 1775, the first structure was built in batten-board style near the center of the village of Potecasi.

With Meherrin Church on one side and Sandy Run on the other, the meeting house at Potecasi was considered a most central location between the two. The Kehukee Association, organized at Kehukee in Halifax county in 1765, was at that time composed of General Baptists, who held mostly to the Arminian or Free Will Baptist Faith. This body met for its spring meeting at Potecasi May 16, 1778.

At the beginning of the 19th century a great revival swept the country. Hearing of the revival news in Kentucky, Burkett set out to learn if reports were true.

In 1804 there was a meeting of churches north of the Roanoke River, at which time they declared that the churches represented were to be Missionary Baptist and have an educated ministry. Since the Kehukee Association would not accept this view of the churches north of the Roanoke, the Chowan Association was formed in 1805. It was the great revival that prepared the churches for the forward step.

In 1807 the Elder Lemuel Burkett, the most influential man among Baptists in N. C. who gave direction and and character to Baptists development in the eastern half of the state, died. He had been Pastor of Sandy Run Church since 1773. This period of thirty-four years covers the time in which he served Potecasi as a branch of that church, and in 1808 Potecasi became independent and admitted into the Chowan Association. For eighteen years it was the only Baptist Church in Northhampton County. Smith's Church (Mount Carmel) was the second Baptist Church, constituted in 1826.

The Potecasi Church building was built of wood, painted many times because the boards were hardwood the paint was not retained. It was repaired and remodeled several times to meet the needs. It contained a gallery for the slaves, which later was removed. It had two double-door entrances and a steeple of moderate height. The second of our three church buildings sits today to the rear of the present brick one. Of the slaves, Britton Cumbo was the last of his race to be removed from the membership.

The pastor with the longest years of service was Elder John N. Hoggard, who served 45 years.

Reverend Thomas Cotton Britton, the only member ever to become a missionary went to China in 1888 at the age of 26, and after 48 years of service on the foreign field, died in Shanghai. Another member, Sister Mollie W. Harrell, was president of the first WMU in Northampton County.

In 1883, the West Chowan Association was organized, including the counties Hertford, Bertie, and Northampton. In 1900 (Oct. 30, 31; Nov. 1) the West Chowan Association met at Potecasi. The West Chowan Association met at Potecasi in 1931 and again in 1948.

In 1951 we added a baptistry to our church and cemetery plots were staked off at the rear of the building.

An Extension Department was added in 1952 in order to provide Sunday School for the residents of Pine Forest Rest Home.

In 1958 our Educational Building was completed. It added six classrooms, a kitchen, and 2 rest rooms to our building plant.

In 1960 red carpet was installed in the sactuary and a sign giving the name of the church and the date established was placed on the lawn.

In 1963, the new parsonage was built next to the church. The parsonage is a brick ranch type with living room, dining room, kitchen, 4 bedrooms, 2 full baths and a garage.

In 1973, the sanctuary was air-conditioned; and in 1974, the educational building was air-conditioned. The yard was landscaped in April 1974 and cement sidewalks were poured around the church in November, 1974.

The church celebrated its Bicentennial on September 7, 1975.

48. Joe McLean, Chairman of the Committee on Ordinations, presented the following report which was adopted.

REPORT OF THE COMMITTEE ON ORDINATIONS

We rejoice that the Lord has blessed the West Chowan Association during the past year by calling two of our young men into the Gospel ministry and has led them through the process of ordination. We rejoice also that to the best of our knowledge this is a "first" for two of our churches.

Candidate Charles Worth Bridgers, III., met with the Committee in the home of Rev. Donald Clinton at 4:00 p. m. on August 6, 1976. After a long conference and prayer period with him, the Committee unanimously recommended him for ordination. He was ordained at 8:00 p. m., August 22, 1976 by the Jackson Baptist Church.

Candidate Stephen Leavy Wall met with the Committee at 2:00 p. m. on September 27, 1976 in the Association office in Ahoskie. In addition to Committee members, the Rev. Henry Powell, and the Rev. J. N. Baggett were also present. After a thorough discussion and a prayer period with the candidate, the Committee unanimously recommended him for ordination. He was ordained at 7:30 p. m., October 3, 1976 by the Winton Baptist Church. He is now serving as pastor of the Lasker Baptist Church.

Please pray for these two young ministers, and pray that the Lord will continue to call from among us more "laborers into His harvest". (Matt. 9:38).

49. Hargus Taylor presented the report from the History Committee which was adopted.

REPORT OF THE HISTORY COMMITTEE

Our Bicentennial Year has provided occasion for renewed emphasis upon the history of Baptists, in general, and of the contribution of Baptist to national life, in particular. Our ideals of religious liberty and the struggles to attain these—especially among our Baptists forbears in Virginia and eastern North Carolina—have been kept before us through Baptist Press and other news media. Many churches have used the occasion of the National Bicentennial to revive an interest in their own local heritage and history. Among the churches of the West Chowan Association, Potecasi Baptist Church celebrated her own Bicentennial in 1976.

The passing of the Bicentennial Year must not mark the passing of interest in our history and heritage as churches. There are church records which need to be recovered and preserved. There are church records among us which the ravages of time and unforeseen events will eventually destroy, unless they are preserved. The staff of the Crittenden Collection in Baptist History at Wake Forest University—the official depository for records of North Carolina Baptist Churches—provides microfilming service at no cost to the churches. We must take fuller advantages of these services. The Crittenden Collection and/or the Oscar Creech Collection in Baptist History at Chowan College can serve as depositories for the safekeeping of any records committed to their care.

Finally, the Centennial Anniversary of the West Chowan Baptist Association (1983) is approaching, rapidly. This anniversay might well be the focal point for an emphasis upon the history and heritage of our association of churches. Your committee would welcome any suggestions towards projecting a meaningful anniversary celebration in 1983, with the realization that such an observance may well require a great deal of advanced planning.

Respectfully submitted,
R. Hargus Taylor, Chairman
History Committee

REPORT ON CHOWAN COLLEGE

Chowan College began her 129th year of service to North Carolina Baptist, in general and to the Baptists of the West Chowan Association in particular, with Faculty Workshop, August 19-21, 1976. A feature of the Workshop was a renewed emphasis upon the Christian and Baptist "roots" of the institution. Major addresses were presented by Dr. Cecil A. Ray, General Secretary-Treasurer, Baptist State Convention of North Carolina; and by Dr. Ben C. Fisher, Executive Secretary-Treasurer, Education Commission of the Southern Baptist Convention. Workshop participants also pledged their commitment to the "Reaffirmations" of the Christian basis for education, as adopted by the Association of Southern Baptist Colleges and Schools of the National Colloquium on Christian Education, Williamsburg, Virginia, June 9-12, 1976.

Students began to arrive for orientation sessions on Sunday, August 22. With the completion of registration, Chowan's enrollment for the Fall Semester stood at 1,060—an in crease of 34 over the comparable figure for 1975. The further breakdown of the total enrollment figures notes the following: Freshmen and /or Transfer Students, 646; Sophomore and /or Returning Students, 394; Special Students (those enrolled for less than 12 semester hours), 18; and Medical Secretarial Interns, 2. The FTE (Full Time Equivalency) enrollment is 1,048—an increase of 33 over the comparable for 1975-76.

In addition to the ongoing curricular and co-curricular programs throughout the year, the college community is involved in its second ten-year "self-study" since attaining initial accrediation by the Southern Association of Collefes and Schools in 1956. This self-study process—required of all schools affiliated with the Southern Association—involves a thorough analysis and evaluation of the educational program as encompassed by the purpose of Chowan as an institution of Christian higher education. It is anticipated that self-study will be completed and Chowan's accreditation reaffirmed by the Southern Association in the winter of 1978. Every member of the faculty and administrative staff—along with selected representative members of the Board of Trustees, the student body, and the Alumni Association—is engaged in a committee assignment towards the completion of this self-study project.

Significant achievements have been noted with regard to the fiscal operation /management of Chowan during the past academic year. Of particular note is the fact that the institution operated "in the black" for the 18th consecutive year—and this on an operating budget in excess of $2,690,000. Apart from student revenues, two other sources of income deserve special mention and recognition in this regard: (1) Cooperative Program support received through Baptist churches cooperating with the Baptist State Convention; and (2) The Annual Giving Fund, deriving revenues in excess of $67,500—the goal set for the fiscal year. For the long range future of the institution, it is especially gratifying to note that General Endowment Funds and assets serving as endowment passed the one million mark in fiscal 1975-76. The comparable figure in 1957—at the beginning of the current administration—was less than $7,000.

Chowan College continues to be grateful for her long and honorable relationship to North Carolina Baptists. She is not unmindful that this relationehip began among Baptist leaders of the old Bertie Union. The institution was nurtured and, literally, kept alive because of the vision of the churches of the West Chowan Association, in particular. Her desire is to see that the full Baptist constituency is aware of her gratitude for what Baptists do for Chowan and of the opportunities for Christian education which Baptists have in Chowan. The "Chowan Story", both of gratitude and opportunity, is related to joint endeavors in Cooperative Program /Stewardship Promotion, through the availability of campus facilities for scheduling by church groups or agencies, and through a concerned effort to attract Baptist youth for her educational programs. Churches of the West Chowan Association are invited to call upon the college (through the offices of College Relations, the Chaplain to the College, or the Director of Summer Programs) for such services as might be available. Several members of the faculty-staff engage in pastoral supply work. Student groups are available for youth-to-youth emphases among the churches by contacting the Chaplain to the College.

With special gratitude for the continuing confidence and support of Baptists throughout the Roanoke-Chowan region, Chowan College pledges renewed dedication and commitment in 1976-77 to those ideals of Christian higher education which have characterized her service to Baptist youth thoughout the years of her long history.

It shall be composed of Messengers elected by the churches connected with this body and all ordained ministers who are pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two Messengers, and for each additional one hundred members, an additional Messenger, provided that no church shall have more than ten messengers.

PURPOSE

Article 3. The purpose of this Association shall be to inspire, encourage, and enlist its membership in a spirit of brotherly love and cooperation, for the promotion of the entire program of our denomination; to the end that the gospel of our Lord and Saviour Jesus Christ might be proclaimed with greater power and effectiveness in our Association, our State and Nation, and unto the uttermost part of the world.

POWERS AND PREROGATIVES

The State Missions Offering was discussed, the goal for the Association was set at $20,000.00. The Chairman of the Committee on Order of Business reported that preparations were complete for the 95th annual session of the West Chowan Baptist Association.

CHURCH TRAINING AND MINISTRIES

The highlights of Church Training and Ministries this year was: "M" Night, Youth Night and the Deacon Retreat.

The Church Training and Ministries Council has met several times seeking plans and trying to get new thoughts and ideas for our churches to become motivated in the ministries of Church Training: This is a must in the day of cults, and religions of false doctrine. No other organization in the church trains or teaches church doctrine, and church polity. If our Baptist churches are to stand and grow they **Must TRAIN** their members in Bible Doctrine and Church Polity **NOW.**

Here are eight values of church training I believe will help any church. 1. Church Training aids spiritual growth by helping members to develop a deeper doctorinal conviction. It exposes them to more applied Bible study, and helps them to see the application of Christian principles in daily living. 2. Church Training provides strength through fellowship. Strong bonds of fellowship are formed when a group of Christian men and women become concerned for each other and discuss their common problems. The result is added strength to meet the demands of each day. 3. Church Training helps to build self-confidence through more willing to accept places of leadership, are less afraid when leading and are more comfortable when witnessing about Christ. 4. Church Training Bible activities help members to be able to use their Bibles with greater confidence. The many units on evangelism sharpens witnessing ability and knowledge. 5. Church Training strengthens Christian values and helps members live their faith. One hour of additional spiritual training helps to overcome the native influences of a secular society. 6. Church Training strengthens the evening worship service because members have a greater feeling of involvement following a period of personal Christian training. They also have twice the reason for

coming on Sunday Night. 7. Church Training prepares youth for leadership. The future leaders of the church learn what they believe, how the church operates, how to witness, why they are Baptist, and how to apply Christian ethics. 8. Church Training conserves the results of evangelism by helping new Christians to grow in Christ so that they can win others.

This can be an exciting year for Church Training in our churches and association. Many Lay people are asking what can I do to get this training to help me. The answer is --- church training. Begin now making plans for some type of training by calling your Church Training Director or Mr. Powell.

W M U REPORT

Elam and Bethel Churches were hosts to our annual Fellowship for Pastors & their wives, church WMU Directors and their husbands, on January 28, 1977 at the Bethel Church. We had a "get-to-know" session. The Reverend Henry Stough, retired Associational Director, highlighted the evening's events by recalling many humerous events that had taken place during his ministry. His recellections were thoroughly enjoyed by all. The group also had a sing-a-long session using many of the songs in use many years ago.

Our Leadership Workshop was held with the Ahoskie and Murfreesboro Churches on September 25-26, with 215 attending.

In February we held a BW Retreat at the Galatia Church with 130 present. If you did not attend you missed a wonderful experience.

Again we chartered a bus for our annual State Meeting in Asheville. 37 rode the bus and 6 traveled by car. Some of the ladies from the Chowan Association went with us on the chartered bus.

The WMU Council met 6 times during 1967-77. Some of our members attended the SBC in Kansas City and the workshop at Mundo Vista and Ridgecrest.

Our 83rd Annual Session was held at the Conway Baptist Church on April 7 with over 300 attending. The afternoon speaker was the Reverend Thomas Waddel, Missionary to Zambia, who spoke about the work he and his wife are doing there. He also showed slides of the work. The evening speaker was Mrs. Edward Gordon, who spoke about her work in the Phillipines. She spoke about the needs of these people and their response to what is being done. She expressed her deep gratitude for the people of our Association who have been assisting her in her work. She exhibited a replica of a typical Filipino house and left it for future use of the Association. It is now on display in the Association's Office, 206 W. Main St., Ahoskie. The theme for this meeting was "Let the Church Stand Up."

On May 16 an Associational Day Camp for Missions Friends was held. During June, July and August Day Camps were held for Girls in Action. Acteens had a study of the new handbook. This study was held at the Meherrin Church with 92 present from 14 churches. Mrs. Gerald Riggs, newly elected Acteen Director for the Associational WMU, led the study.

Last Christmas our Baptist Women & Baptist Young Women shared with other WMU ladies across the state in providing materials through the State WMU offices for Christmas gift boxes for the residents at Central Prison in Raleigh. Our ladies provided combs & stationary. The response was so tremendous that not only did those at Central Prison receive a gift, but also those at the Dorthea Dix Hospital.

Once again our Associational WMU was recognized as Distinguished at the State WMU Meeting. We thank all the women for making this possible. May we do even more.

Respectfully submitted,
Mrs. M. E. Forbes

BROTHERHOOD REPORT

There were 3 Associational Brotherhood events during this past year:

The first was the Man & Boys Rally. It was held at the Aulander Church. The Rev. Chip Funkhouser, pastor of the Aulander Methodist Church, presented a color slide program on the Life of Christ, using slides made on his trips to the Holy Land. There were 150 present for this Rally.

A one-night conference for Church RA Leaders & Counselors was held at the Earlys Church.

The RA Track was a tremendous success as usual. It was directed by the Track Coach of Chowan College with his athletic department members assisting. We had both first & second place winners in the Associational Track Meet to be our Team for the State Track Meet at Gardner-Webb College. Our Team did well in the State Meet.

During this coming year we plan a one-night Leadership Conference for all Church Brotherhood Officers & Leaders. The date for our spring Men & Boys Rally will be set and added to the Associational Calendar just as soon as visiting program personalities have been enlisted. The date for our RA Track Meet the last of April is already on the Calendar. We anticipate a very good year in Brotherhood work this year.

WEST CHOWAN BAPTIST ASSOCIATION -- MUSIC REPORT
1976 -- 1977

During the year 1976-1977, the Department of Church Music of the West Chowan Baptist Association assisted several local church music directors in selecting materials for choirs. Mutual concerns were discussed.

The Department of Church Music continues to encourage participation in our summer music camps and in the church music training program offered through our State Department of Church Music.

In the coming year, the Department of Church Music is sponsoring on November 11, 1977, a concert by the Fairchild Trio. These young ladies are dedicated christian sisters. Their concert of religious music will be given in Chowan College Auditorium, admission free.

17. History of the Galatia Baptist ..... Church Historian

In 1852, in a log school house located where the R. C. Davis Peanut Sheller presently stands, Galatia Baptist Church was organized. Prior to this time a little band of Christians met regularly, weather permitting in a brush shelter. The church was organized with thirteen charter members. These members were: Mr. and Mrs. J. C. Fleetwood, Mr. Arthur Davis, Mrs. Feribee Davis, Mr. Kinchin Davis, Mrs. Adelia Davis, Mr. Jessie Davis, Miss Jane Davis, Mr. Jessie Deloatch, Mrs. Lucy Parker, Mr. Elias Lewter, Mrs. Becky Hasty, and Mr. Ponnel Stephenson.

The church continued to meet in the log school house while a simple rectangular shaped buildings was started near the corner of the Galatia Crossroads. Because of his love and affection for the cause of Christ, the site for the building was donated by Mr. Arthur Davis. Mr. Jessie DeLoatch loaned the church one hundred dollars to get the building started. The first building was under the direction of Mr. Kinchin Davis, Mr. Jessie DeLoatch, and Mr. J. C. Fleetwood. The building was completed and a dedication service held on July 13, 1859. The dedication sermon was preached by Elias Dodson.

It was not until June 8, 1867 that the three acre lot given to the church by Mr. Arthur Davis was deeded to the church. It was recorded December 19, 1867. This was eight years after the church was built and dedicated.

The first pastor called was B. B. Williams. He served until sometime during the Civil War when he was called into service. In his absence the church was served by Rev. John Lee. At the close of the war in 1865, Mr. Williams returned and took up his work with the church. Others who served the church during the next twenty-five years included Rev. Billy Fitzhugh, Rev. J. B. Boone, Rev. John Mitchell, Rev. Bob Savage, Rev. Billy Maggette and Rev. P. N. Hoggard. Mr. J. C. Fleetwood was ordained and preached at Galatia Church and other surrounding churches for a period during this time. Mr. J. W. Taylor was also ordained.

In 1892, the church called Rev. Dancey Cale who served as pastor for the next thirty-eight years.

During the early years, only two preaching services a month was held, one Saturday and one Sunday. Sunday School was held every Sunday during the year, weather permitting. Conference was held on Saturday and attendance was required or a valid excuse had to be given. Also persons who broke the rules of the church had to appear before the conference and ask to be forgiven.

In 1899, a Missionary Society was organized with both men and women members. Mrs. Johnnie Taylor was president. It continued this way until 1917 or 1918 when it was changed to Woman's Missionary Society with Mrs. Clara Piland as president. The WMS was divided into groups or circles in 1922, but for lack of a leader was soon disbanded. It was reorganized in 1930 with Mrs. Troy Taylor as leader.

In 1910 two small rooms, called "Infant Rooms" were added to the back of the original rectangular shaped building. These rooms were to be used for small children.

In 1918, it was decided to add another Sunday Service, making a total of three preaching services a month.

A Senior Baptist Young People's Union was organized in 1923 with Miss Lois Smith as president. An Intermediate Union was organized in 1930.

In 1926, the original church building was sold and a new one begun. Services were held in the old building until the new one was completed. The new building included a sanctuary with wings on each side to be used as Sunday School rooms. The approximate cost of this building was $10,000. The dedication service was held the first Sunday in December, 1930.

Rev. J. M. Duncan served the church as pastor from 1930 until 1945. Rev. Lonnie Sasser served as pastor about a year following Mr. Duncan's resignation.

In August of 1946, Rev. Jarvis Teague came as pastor. There were four churches in the field--Galatia, Lasker, Ashley's Grove and Menola. During the next few years we had our first VBS and also organized G.A.'s, R.A.'s, and Y.W.A.'s. The first parsonage was built in 1947.

In 1950, a building program was started to add Sunday School Class rooms to the back of the church building. A Brotherhood was organized in the early 1950's.

Rev. Frank Robinson came as pastor in 1951. In the summer of 1952, the baptistry was remodeled and the first baptismal service was held in September of 1952, in the newly renovated baptistry.

Rev. Herman Dilday came as pastor in October, 1954. Early in 1955, the church began to realize that our building was inadequate to meet the needs of our membership. In December, 1955, one of our deacons, Elliott Lee Ricks, made a contribution designating it for a new church building fund. This fund grew slowly for two or three years.

In August, 1958, building and finance committees were appointed. In January, 1959, the old church building was moved and the foundation for the present educationaly building was laid. This building was completed in the spring of 1961. In December, 1961, we had a note burning service signifying a debt free educational building and equipment.

In June of 1962, Rev. Harvey Coppedge came on the field. In the fall of that same year the church voted to begin work on the sanctuary and on December 8, 1963, the dedication service was held with Rev. Herman Dilday preaching the sermon. The last note for money borrowed was paid off in December, 1966. During the time of the building program a wonderful spirit of cooperation was shown. There were many donations made of labor and materials. According to records, donated materials, labor and cash, approximately $110,516, was spent on the entire building.

In 1966, the church voted to begin the rotating system of deacons.

In 1967, the church purchased the Knox Britton home to be used as a parsonage. This property joined the church property and was purchased for $18,000. The old parsonage was sold and moved away.

In the summer of 1969, air conditioning was added to the sanctuary.

Rev. Lonnie Armstrong came as pastor in September, 1974, serving until the present time.

Miss Vickie Barrett has gone out from the church into full time Christian service and is presently serving as Minister of Education at Wingate Baptist Church, Wingate, N. C.

Ricky Barnes was licensed by the church in May, 1976 and is a ministerial student at Campbell.

In 1976, we began the Deacon Family Ministry Plan. Under the leadership of the pastor, several classes were held to train the deacons for this ministry.

Early records show an average of twelve baptisms per year for the first sixty years of existence. Since 1950, the records show an average of nine baptisms a year.

Mission offerings have been increasing each year for several years, for which we praise the Lord.

We have a full-time program with two worship services each Sunday and mid-week prayer service. Church Training is held each Sunday Night.

Our present church enrollment is **355** resident members and **103** non-resident members.

25. Report of the Director of Associational Work ..... Henry Powell

REPORT OF THE DIRECTOR OF ASSOCIATIONAL WORK

I am happy to share with you a brief summary report of my activities this year as your Director of Associational work. It has been a good year; a busy year--for which I am grateful. There have been more opportunities to serve this year than ever before. I hope that this trend will continue and the opportunities to serve will increase yet more and more.

During the year I have been in 49 of the 60 churches. A very special effort will be made to visit these remaining 11 churches just as quickly within the next few weeks ahead.

I have either visited or taught Sunday School almost every Sunday morning, I have preached for the regular Sunday Worship Services as well as ordination services. I shared in several ordination services for both deacons & ministers, spoke at mid-week prayer services; taught the January Bible Study book in 2 churches, shared in several dedication services, mission studies, regular WMU programs.

There were many, many individual, committee, & group conferences concerning various phases of the work.

The work of the Association, as well as that of the Baptist State Convention & the SBC was promoted primarily through the West Chowan Baptist News. Except for one or two occasions, the Newsbulletin went out each month. On two occasions, 2 or 3 separate issues went out during the same month. In September there were 3 separate issues for a total of 2,300 mailed. If there are those who do not receive the monthly Associational Newsbulletin who would like to do so, just let us have the name & **complete** mailing address and it will come your way beginning with the next monthly issue. There is no charge for it. We hope to keep on enlarging the mailing list until every Baptist home in our area will receive the Associational Newsbulletin each month.

Since all the Powell children are now away from home (during the regular school term), Mrs. Powell and I have been a little slower and later in getting to the office in the morning. We are usually in the office Monday through Friday by 9 A.M. We go to lunch about 12:30. One or both of us are usually back in the office in the afternoon. However, sometimes there is a need for both of us to be gone at the same time. This does not happen very often, but usually when it does someone comes by and cannot find us. We try to keep this to the very lowest minimum possible. If you cannot find either of us here, try the home at 425 N. Academy Street. Call anytime you need us, anytime 24 hours a day, 7 days a week. We are here for one purpose only--to SERVE.

There are several priorities in the days just ahead.

1. For the past several weeks Mrs. Powell has been working on the Statistical Church data for the Survey Study. We had hoped to complete this study by this time but it proved to be more detailed than we had expected. We will continue to work at this in the days just ahead, hoping to complete this first basic step in the Survey-Study by the time the General Board meets in December. The completion of this Study is basic to our long range planning for the work of the Association for the next several years and we are dedicated to its completion as quickly as possible.

2. Another continuing need is for a greater involvement in Associational activities on the part of our people. The purpose of the Association is to serve, to be a channel through which the churches share together in mutual helpfulness to each other. The more our people become involved the more useful the work will be.

We need to prayer-support of all our people. This is absoutely essential to the success of the work.

We need for a greater participation in Associational activities. We major on activities which the individual churches, particularly smaller ones, cannot do as well by themselves as we can do together. The more we share in these activities and the more successful they are, the more useful and helpful to everyone they will be. We have had some very good and successful meetings and activities this past year; we look forward to even greater opportunities of fellowship and sharing for the mutual benefit of all in the future.

And like everyone & everything else, we need increased financial support. There are still many unmet needs. Some of these are: a. Complete self-support. We depend on State Missions for about 7% of our monthly income. There are many Associations much smaller than we are that do not receive as much State Missions help as we do. Surely an Association of 60 churches, nearly 17,000 total church members, and nearly $2,000,000 total church income each year should be able to adequately support its Associational work without having to rely on outside help. We ask only 2%; if each church will come up to this suggested amount we will be able to support our work without having to go to Raleigh for help.

We need to upgrade our Associational Office. We need an electric stencilcutting machine. Such a machine would enable us to put out a much better quality of publicity materials, but would save many hours of tedious stencil cutting, not only for those in the Associational office, but also for our churches.

Several of our churches are interested in a cassette tape ministry to their shut-ins. A tape-reproducing machine in the Associational office would enable all of our churches to record church services, reproduce as many copies of the tape as needed, and provide these quickly and efficiently to all of their shut-ins.

We need a photo-copy machine. Not only would this be used in the Associational office but would also be available to the churches to use as needed.

We need additional visual-aid equipment. We have a 16mm sound projector. It is available to all churches anytime you wish to use it. The old slide-filmstrip projector is about shot. We need several slide & filmstrip projectors & screens.

We need an overhead projector.

One of the fastest growing areas of visuals in teaching is the video tape. These are far less expensive than regular film, especially sound films. The Home Mission Board and the Brotherhood Commission are already turning in this direction in their teaching-training materials. These materials are to expensive for every church to try to have them, but if they were available to the churches through the Associational office, they could be used very successfully by all churches. This is an area we need to watch very closely. It is a growing ministry of the Association to the churches.

The Association is coming into its own. For many years it was the "red-headed stepchild" of our SBC Mission work. But that is no longer the case. Both the State SBC are realizing that the Association is the vital link between the church and the State & Southern Baptist Convention. It is the key unit in our World Mission work. One of the purposes of the recent special drive for State Missions was to be able to channel more State Missions funds in the future into special State Missions projects that will originate at the Associational level. Dr. Ray, our State Convention General Secretary-Treasurer, is dedicated to the Association as a growing vital influence in the work and ministry of the State Convention and the SBC.

There are great days ahead in the work of the Association. May we be found faithful in taking advantage of every growing opportunity to work together and more effectively share together in our ministry and service for our Lord.

Respectfully submitted,
Henry Powell

26. Report on our N. C. Benevolent Institutions:
    a. N. C. Baptist Hospital

BAPTIST HOSPITAL
REPORT TO THE ASSOCIATIONS
1977

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicitng an aspect of Christ's ministry: healing, teaching, and preaching. The windows serves as a reminder to the staff that Baptist Hospital has also been commissioned to this three-fold task.

The hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all the various specialties of medicine. Persons with rare and complicated medical problems are referred to Baptist Hospital by their family physicians for treatment. Last year 158,863 visits were made in the hospital's Outpatient Department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involved in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were 87 graduate students in the basic sciences. The hospital also provided clinical facilities for 483 student nurses from 3 nearby schools of nursing and for 120 students in other allied schools. The School of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all of these ministries, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. This tie is maintained and strengthened through the services of capable, dedicated trustees who are elected

by and are responsible to the Convention. The tie is also strengthened through the finanical support from the churches; last year $294,324 was received through the Cooperative Program and $405,947 through the Mother's Day Offering.

Several members of the hospital staff have assumed active roles in denominational life at the association level and the state convention level, as well as in their local churches. For the past five years hospital personnel have assisted in Cooperative Program promotion in at least two associations each year. Staff members are pleased to do everything possible to strengthen the denominational tie, believing that this tie adds a dimension to the ministry of healing, teaching and preaching.

Mother's Day gifts for the fiscal year ending June 30, 1977, were $411,225.56 compared to a total of $405,946.52 for the preceding fiscal year.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING
1977 REPORT TO THE ASSOCIATIONS

The past year in your North Carolina Baptist Homes for the Aging has been one of the fullest and most exciting in the twenty-six years that the Homes have been ministering!

Of keenest interest was the ground-breaking service for the new Western North Carolina Baptist Homes, on the pearson Estate on Richmond Hill, in Northwest Asheville, last October, when more than a thousand people from our Western North Carolina Baptist Churches, as well as many others throughout the State, were present. It was a thrilling moment indeed when Trustees, Staff, and Residents of the Homes, Pastors, and other Church Leaders latched on to ropes, attached to a hugh bulldozer, pulled together and helped to move the first dirt at the site, he heralding the beginning of the construction of your sixth Baptist Home for the Aging.

Construction is now underway for this lovely Western North Carolina Baptist Home, which will initially accomodate 50 people.

Another exciting venture is the construction of four duplex apartments at the site of the Hayes Home in Winston-Salem. These apartments will care for 16 additional persons and will be ready for occupancy in the fall of 1977. 66 more people will be served in our Baptist Homes family in the next two years.

Gifts from our Baptist people have been very encouraging during the past year through the Cooperative Program and through the third Sunday of February Offering. These sources supply 35% of the total budget of the Homes and are used continually to supplement the care of the majority of the residents who cannot pay their full cost of care. They are love gifts indeed and are a life-line for those whose needs could not be met without them.

The needs of older persons in our society today are great and are overwhelming. Plans are in the making for an accelerated ministry in our North Carolina Baptist Homes that will touch an ever increasing number of persons.

These plans will call for a greater concern and commitment on our part than ever before. The future of our North Carolina Baptist Homes is as bright as the promises of God, and, in that future, the Lord, and these older people in our midst, will be looking to you to share in meeting the needs as we reach out and serve more of these dear ones who desperately need help.

Respectfully submitted,

INFORMATION FOR CHRISTIAN HIGHER EDUCATION REPORT
Annual Associational Meetings – 1977

Baptists of North Carolina are deeply involved in the ministry of Christian Higher Education through the support of six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate an Wake Forest University. During the 1976-77 academic year, 13,733 persons were enrolled in the seven schools. The number graduating in May, 1977 was 2,493.

One strong emphasis of Baptist colleges is the preparation of pastors, missionaries and other church vocation colunteers. In the fall of 1976, there were 846 persons preparing for church-related vocations at North Carolina Baptist colleges.

The recruitment of more Baptist young people is a major concern of the colleges. Pastors and other church leaders are urged to encourage the youth from Baptist churches to attend a Baptist college. During 1977, the pastors have given the names of more than 6,000 prospective students to the colleges through the Council on Christian Higher Education. These students have received information from the colleges and from the Council office.

Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students financially in order to make available the educational experience at a Christian college. An offering is received on Father's Day each year to provide aid for North Carolina Baptist young people. Students who need to apply for financial aid should make application to college early in the junior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Mission emphasis of Southern Baptists a vital and successful ministry.

1977 BIBLICAL RECORDER REPORT TO THE ASSOCIATIONS

What is perhaps the greatest challenge faced in all the history of Southern Baptists is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust," and the success of the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty as to whether the motivating message will be successfully communicated to some 13 million Southern Baptists, and to our more than 34,000 churches. Without adequate communication channels, the program cannot succeed.

The heart of the program is to evangelize and congregationalize the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Saviour, and then leading them to understanding of His lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jeus presented his disciples the goal of going into all the world has such boldness been demonstrated.

The most difficult problems faced in our churches are related to communications. When people are uniformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local congregation and in the denomination, interest is generated and cooperation results. Openness is therefore important, and the purpose of the BIBLICAL RECORDER is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world.

In light of developments presently underway in our denomination, it is important that every Baptist church member in N. C. receive the BIBLICAL RECORDER weekly. Already more than 1100 churches in our state are providing through their budgets for the RECORDER to go to all resident families. The Southern Baptist Convention has adopted a circulation goal of eight million for state papers by 1980. The SBC believes that every Baptist family ought to be receiving its state Baptist paper. RECORDER circulation approaches 120,000 but should be increased in the immediate future to 150,000.

If your church is not sending the RECORDER to resident families at the present time, arrangements should be made immediately to do so by incorporating it in your church budget. Costing less than half the price of a postage stamp per issue, it is delivered by U. S. mail directly to your home address.

The RECORDER doesn't cost; it pays! Your church will be a healthier congregation if you provide the RECORDER for your resident families. It is the most widely read piece of literature received by North Carolina Baptists. No investment pays greater dividends.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. REPORT TO THE ASSOCIATIONS EASTERN AREA - 1977

Baptists of North Carolina provide a ministry of love and care to children, young people and their families. The program is more than rooms and meals and activities and recreation. It's more than buildings and grounds. The care of children is missions...reaching out with a helping hand; it is evangelism... sharing the joy of life in Christ; it is love and affection...the giving of hugs and kisses and friendshp; it is education...teaching an appreciation for the finer things in life; it is restoration...enabling families to function again.

Campuses at Mills Home, Thomasville;Kennedy Home, Kinston; Odum Home, Pembroke; and Broyhill Home, Waynesville-Clyde continue to serve as centers of service and operation in their respective areas of the state.

Foster Home Care, a statewide program of the Homes, is vital to numbers of children needing special help. Additional foster homes are needed throughout the state. We welcome opportunities to talk with prospective foster parents about this area of service.

Emergency Shelters at Forest City, Charlotte, Burlington and Henderson are meeting a critical need. They provide a ready resource for children who need help immediately. During a period of one to ninety days responsible planning is made for the child's future.

The special wilderness therapy programs for boys and girls at Kennedy Home are meeting needs of children who cannot be served in conventional type programs. This program needs to be expanded to serve other areas of the state.

Odum Home construction made progress during the past year. The Sara Catherine Deal Recreation Building and the residence for the resident director have been completed and were dedicated on September 30, 1977. Excellent progress is being made on the Indian Memorial Cottage which is being financed and constructed by the Indian people of Pembroke and surrounding area.

Social Work and Family Resource Centers enable us to work with families in providing services to children, family rehabilitation, family education and preventive services. These Centers are located at Waynesville, Asheville, Charlotte, Thomasville, Burlington, Raleigh, Kinston, Fayetteville and Pembroke.

The Child Development Center on the Mills Home Campus at Thomasville provides a demonstration program for churches who are interested in establishing services for preschool age children in nursery school education, day care and kindergarten. We welcome opportunities to assist churches any place in the State who want to develop this type program.

The Cooperative Program and the Thanksgiving Offering will be extremely important in enabling us to continue these basic and essential ministries to children and their families. We encourage and welcome churches and individuals to visit any of our facilities and to see for themselves how meaningfully this great mission effort is being conducted to honor and glorify Christ.

SUGGESTED ASSOCIATIONAL STEWARDSHIP-COOPERATIVE PROGRAM REPORT

Will **you** lead every member of the church where you serve to give a tithe or more of his income into the church treasury and lead the church to give the suggested amount to the Association plus giving from 10% to 50% of church receipts through the Cooperative Program?

The Southern Baptist Convention theme for this year is "Bold Missions". "But you shall receive power when the Holy Spirit has come upon you; and you shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth." This command of Jesus in Acts 1:8 clearly calls for boldness on the part of His followers. These words emphasize our commitment to missions and mission support.

In 1 Corinthians 3:9, the apostle Paul says, ". . . we are labourers together for God". We must continually challenge one another as Baptists to minister in Christ's name through the church, through the association, and through the Cooperative Program in bold support of missions at home and around the world.

Commitment to a bold mission task calls for specific action on our part as individuals and churches.

WE RECOMMEND THESE GOALS:

1. Every church in the association BOLDLY ADVANCING THEIR GIVING through the Cooperative Program for world mission support, and giving the suggested amount to Associational Missions.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
3. That every church seriously consider its responsibility to develop Christian stewards and determine to elect and train a stewardship committee to assist the church in developing Christian stewards.
4. That every church conduct a stewardship emphasis this year. This coming year, the stewardship theme is "Bold Believers in Giving Through a Growing Commitment".
5. That an associational stewardship conference be held in order to assist churches in planning and conductng their stewardship programs.
6. That every church double Cooperative Program giving and associational missions giving by 1982.

SUGGESTIONS FOR ANNUAL ASSOCIATIONAL EVANGELISM REPORT 1977

The Pastor's Evangelism Planbook 1977-79: **EVANGELIZING AND CONGREGATIONALIZING** has already been sent to all churches. It includes various emphases on The Evangelistic Church on Bold Mission. Additional information on this theme will be shared with pastors and church leaders.

"Bold in Creative Witness" was the theme of the 31st Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 7-9, 1977. About 2,400 pastors and lay persons were present to hear the challenging messages of the evangelistic speakers.

Over 500 youth and adults came to the North Carolina Baptist Assembly for the Youth Ministry Week - June 13-17, and many different types of decisions for Christ was made public by youth. The emphasis was on youth evangelism, vocational guidance, and recreation.

About 12,000 youth, pastors, and adult leaders are planning to attend the 7th Statewide Youth Evangelism Night - August 19 - at the Greensboro Coliseum. Jim Wilson and Larry McFadden of Orlando, Florida were the guest preacher and soloist. All youth who make decisions for Christ are contacted by pastors and adults with regard to specific follow-up counseling.

Thirty-six churches across the state are having one week youth revivals and youth witness training under the direction of four Summer Youth Evangelism Teams. Let us rejoice in all the decisions for Christ made by youth.

Excellent reports have been received on Lay Renewal Weekends and Ministry Evangelism Weekends in various churches. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Associations and churches are now involved in the Youth Evangelism Strategy which includes these four areas: Leadership Family; Touch Ministry; Discipleship Groups; and Joy Explosion. W.O.W. - Win Our World - has to do with specific witness training for youth in the local churches.

65 associations have participated in one week Lay Evangelism Schools in recent years with over 14,400 youth and adults receiving lay witness training from 1,175 churches. More lay persons need to become involved in consistent witnessing to unsaved individuals.

Several thousand persons have attended evangelism clinics and conferences held in associations across the state. Good reports on revival meetings and city-wide crusades have been received.

The 32nd Statewide Evangelism Conference will be held at War Memorial Auditorium, Greensboro, on February 6-7, 1978.

CHRISTIAN ACTION LEAGUE

The N. C. Christian Action League has been engaged in a two pronged attack on the moral front during the past year. A real effort has been made to curb the flow of pornography, and the liquor-by-the-drink issue has been opposed at every turn.

In the legislative program of the League a questionaire was sent to each candidate for the State Senate and the House of Representatives asking for views on the question of the disemination of hard-core pornographic materials. Another question went so far as to suggest a state-wide vote on the matter of regulating and controlling distribution of pornographic materials.

Senate Bill No. 539 was introduced by Senator I. Beverly Lake, Jr. of Wake County. It is hoped that this law will regulate and eventually do away with hard-core pornography in North Carolina. The bill was amended many times, but the strength of the statute remains intact. This new law will permit the solicitor or the attorney general to proceed against pornography.

Another bill has been enacted that will prohibit the display of pornographic magazines and other materials on racks in public places where they can be viewed by minors. Still another law was passed that will make it illegal to use minors in the production of pornographic materials.

The effort against liquor-by-the-drink began before the election of Senators and Representatives last year. An all out campaign was conducted to ascertain the views of candidates on the question of more liberal laws in relation to the sale of alcoholic beverages. Many committed themselves to oppose any such legislation and became voting members of the 1977 Assembly. We counted heavily upon these friends to hold the line against the encroachment of any new legislation that would merchandise whiskey like apples and oranges, and no such legislation was passed during the 1977 session.

Senate Bill No. 735 was introduced in May. This bill would have given a vote to any county, city or town which had an ABC store to determine if liquor-by-the-drink sales would be authorized. The bill would have allowed the addition of such sales on top of "brown-bagging". In other words, a restaurant which qualified could have had both types of permits. This would have given North Carolina one of the most liberal systems in the United States. Due to some vote-swapping to revive the pornography bill, this measure passed the Senate by a 24 to 23 vote. The proponents of the bill, realizing that it was headed for defeat in the House by at least 15 votes, made a last minute move which sent the bill back to the House ABC Committee, where it will await next year's session of the General Assembly.

This gives us time to organize our forces and to make contacts with our Representatives. You spoke loud and clear in opposition in the state-wide referendum in 1973, and we don't believe you have changed your minds. You are urged to contact your Representatives and either encourage him in opposition to the bill or request his support for the defeat of Senate Bill No. 735.

The Chrisitan Action League appreciates the support which has been given this past year, and reminds you that we can do only that which you enable us to do through your contributions.

Respectfully submitted,
The Christian Action League of N.C.

ANNUITY BOARD REPORT
New Program Highlights Year

In North Carolina as of March 31, 1977, 2787 staff members of 2196 churches and associations are participating in the Southern Baptist Retirement Program; 2491 in the Family Benefit Section; 1275 in the Age Security Section and 240 in the Variable Benefit Section.

In 1976, the Annuity Board of the Southern Baptist Convention recommended a new retirement program which was approved by all the state Baptist Conventions. The new program called the Southern Baptist Retirement Program will go into effect January 1, 1978.

Detailed information will be presented to churches in the early fall with a ROUTE 10 promotional theme, according to Darold H. Morgan, president of the Board.

The Board paid $17,138,343 in benefits to 11,925 widows, retires or disabled members in 1976. During its 59 years of service, the Board has paid more than $158 million in retirement and protection benefits.

A 13th Check amounting to one month's income was mailed for the eleventh time to annuitants. The combined amount of this extra benefit came to $830,525.

Most members benefit from a decision to increase the interest rate for figuring retirement benefits. Annuitants began receiving larger checks as of January 1, 1977.

For almost 45,000 members, the Board held in trust funds totaling $472,218,669 for retirement benefits for the year ending 1976.

The Annuity Board also administers life, medical and disability insurance programs, which reflected increases in membership.

Additional information concerning the Annuity Board and its programs of retirement and insurance may be obtained from the state convention officers or by contacting the Annuity Board, SBC, 511 North Akard Building, Dallas, TX 75201.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
May -- 1977

May 1977

I. **Statement of Purpose**

The establishment of the North Carolina Baptist Foundation as an agency of the Baptist State Convention of North Carolina was approved in 1919 and chartered in 1920. The objectives of this agency of the Convention were clearly stated in its charter:

"1. To promote the making of gifts . . . for the cause and objects fostered by the members of the missionary Baptist denomination in the State of North Carolina, in their cooperative undertakings, and to provide a way of securing greater uniformity of purposes, powers, and duties of administration in the management and distribution of the gifts so made;

"2. To receive, own, hold, administer, and distribute gifts of any kind . . . to be used for the promotion of the Missionary Baptist cause in general or any specified object of the Missionary Baptist denomination . . ."

The Foundation continues to strive toward fulfilling the objectives stated in its charter. In so doing it will serve more as a trustee than as a foundation, as foundations are presently defined. As trustee, the donor or benefactor makes decisions relative to specific or general recipients of trust income.

II. **Growth**

The growth of assets held was slow in the early years and reflected directly the amount of time given to promotion by lay volunteers interested in the endowment of Christian ministries of the Convention. At no time in its history has the Foundation idea lacked respect of denominational leadership in that it was undergirding the financial support of all Baptist mission endeavors. During a twenty-five year period, however, the Directors of the Foundation sought unsuccessfully to obtain financial assistance for an operating budget for staff and promotion program from the already established institutions of the Convention. As the Convention became stronger financially, it provided the operating funds that permitted the Directors in 1962 to employ its first full-time staff member, C. Gordon Maddrey of Ahoskie and Raleigh.

III. Organization and Operation

The Foundation is the only agency or institution receiving its total operating budget from the Cooperative Program. Its fifteen member Board of Directors is elected by the Convention, three each year selected for five year terms. The Directors through an Executive Committee has responsibility for reviewing budget needs and recommending its request to the General Board Budget Committee.

The staff consists of the following employees: the Executive Secretary, Edwin S. Coates; Director of Estate Planning, Sara Ann Hobbs; Staff Assistant, Dianne Babb; Treasurer, Leon Spencer; and the Legal Counsel, Tom Dimmock, a Raleigh attorney, who is retained for frequent consultation and for preparation of contracts, agreements and other matters related to the work of the Foundation.

Each staff member has distinctive tasks to perform in assisting with the attainment of Foundation goals, but all are charged with responsibility for being adequately informed as to the needs of the institutions and mission endeavors supported by the Foundation. They also must interpret these needs and be responsible for relating them to the individuals using the services of the Foundation.

The emphasis of the Foundation is **Stewardship.** We seek to create an increased awareness of and interest in a total Christian commitment as it involves life and possessions. Certain aspects of our efforts are simply interpreting the Christian tenets regarding one's trusteeship of God's gifts. Other factors in our ministry involve technical and legal matters as they pertain to estate planning and distribution of assets. An understanding of these principles provide opportunities for individuals to become better stewards.

As the individual Christian is to be a responsible trustee, so the Foundation is to be responsible as trustee of these gifts entrusted to its safe-keeping. It is the desire of the Foundation staff and Directors that effective and efficient management of operating funds and trust funds be a prime characteristic in administering our duties. We seek to be prudent in the investment of assets and seek maxium financial support of all Baptist institutions and causes.

The Foundation provides a unique channel for persons to provide tangible financial assistance for all Christian ministries fostered by Southern Baptists - **forever** - by naming the Cooperative Program as beneficiary of trust funds. This option, of course, is one of many. The specific institution or mission cause may be named as trust beneficiary or any combination of these.

IV. **Methods Used**

There are three prime methods now utilized through which gifts of possessions can be transferred to benefit Baptist endeavors. The most frequently used, and the source of most assets now held by the Foundation, is the testamentary gift. The charitable remainder trust has proved to be a valuable instrument to encourage lifetime transfers of assets. The third method is through the living charitable trust.

The testamentary gift is simply the transfer from an estate to the charitable cause by statement in a will.

There are a variety of approved methods of transferring property, securities, or money and in turn receive annuity payments for life. Many of the annuity trust instruments meet requirements of government regulations permitting tax relief during the lifetime of the donor.

An outright gift of assets, where income or principal is immediately available for charitable causes, provides many benefits both to the donor and to the ministry being supported. In some instances, the residual estate to heirs can be increased through this method of giving.

Any new endowment, as administered by the Foundation, will provide permanent financial assistance to our institutions as well as the total Convention mission. As many individuals have stated upon establishment of a trust, they feel that they have become a part of what they are supporting. One Director of Associational Missions expressed with determination, when sharing the Foundation report with the 1975 Baptist State Convention, "Through our investment in the Foundation that supports the Cooperative Program permanently, we now **are** the Cooperative Program."

The Womens Missionary Union held its second annual meeting here on October 28, 1896.

The West Chowan Baptist Association held its Fourteenth annual associational meeting here in October 1896. The Annual sermon was preached by Reverend R. D. Cross.

In 1923 Rev. Oscar Creech came and served until December 1933. While he was here the Church saw the need of a better Church building and more classrooms to take care of the growing Sunday School. The Church appointed Brethern A. O. Kiff, W. R. Willoughby, George Hoggard, J. W. Godwin, Jr., and A. E. Godwin as a building committee. They presented the design of the present Church building from the back of the pulpit to the front of the Church. The Church accepted this plan and acted on it. Work commenced in 1925. While the work was proceeding on the new building the Church held its services in the school house across the road. The money to build the new Church was borrowed from the Bank of Ahoskie. In financing this project the men of the congregation was asked to donate the proceeds from what was raised on an acre of land and the women were asked to donate the money from the sale of Sunday eggs.

The Lord wonderfully blessed the Church in paying off the notes. All were paid off before the due and the work was finished in 1926.

The ceremony of laying the cornerstone for the new building was conducted on Sunday August 6, 1926, by the Woodmen of the World, of whom Brother A. O. Kiff Church clerk was an official.

In October 1926 the Church bought new pews for the Church at a cost of $500.22. The new Church was electrically wired, powered by a Delco unit.

First record of music in this Church was when officers were elected in October 10, 1926. Sisters Mary Overton pianist for Church, Evelyn Kiff for Sunday School.

In a called conference December 1929 the Church voted to have Sunday preaching services twice a month. Prior to this time it had only one Sunday preaching service a month. There was always preaching at regular Saturday conference meetings.

Dedication services was held on our Lords day of Sunday, July 4, 1930. The Reverend H. F. Brinson was asked to preach the dedication sermon.

January 1932 Church records showed a membership of 65 males and 80 female members. A total of 145 members.

July 7, 1934 Church voted to do away with monthly Saturday morning conference. Church voted to have rules of Decorum revised. This was to be done by the Board of Deacons.

Reverend A. P. Mustain came January 1934 and served until January 1944. Rev. Creech came back in April 1944 and served until October 1948. Rev. T. J. Faulk came in October 1948 and served until March 1949. Rev. A. P. Mustain came in September 1949 for the third time and served until April 1955. Rev. Earl Sapp came in October 1955 and served until October 1956. Rev. W. E. Carter came in 1957 and served until 1962. In 1959 while Rev. W. E. Carter was here the church bought a new piano. In 1961 the Church began to study building plans for more classrooms.

In 1961 the Church had a total membership of 157.

After Reverend W. E. Carter resigned as pastor the Reverend Oscar Creech served as interim pastor until the Church called the Reverend J. D. Wyatt as Pastor in May of 1963 and served until July 1968. In February 1964 while Reverend J. D. Wyatt was here the Church again began to plan for more classrooms. The Church elected Brothers Thurman Hall, Franklin Phelps, Luther Godwin, Sisters Lois Ross and Mary Bernice Willoughby as a building committee. Brother George Brinkley, Garland Ross and W. R. 16. The report of the Education-Promotion Committee was given by Robbie Parker, chairman.

REPORT OF EDUCATION AND PROMOTION COMMITTEE

The Education and Promotion Committee of West Chowan Baptist Association made great efforts in trying to inform area residents of the work of our association.

The promotional effort was intensified May 21-28 when the committee coordinated Associational Emphasis Week. During the week spots were aired on local radio stations promoting the work of the association. Area pastors prepared devotions for radio stations in Ahoskie and Murfreesboro.

In addition to radio coverage, the Education and Promotion Committee coordinated newsreleases in area newspapers. The Associational News Bulletin helped promote the week.

The committee worked hard at promoting a positive image of the association throughout our region. To our knowledge this campaign was the most aggresive associational promotion effort carried out in our area.

It is our hope that more people appreciate the ministery of the West Chowan Baptist Association.

Respectfully submitted,
Robbie Parker, Chairman

17. Lonnie Armstrong, pastor of Galatia Church, gave the Missions Committee report.

REPORT OF THE MISSIONS COMMITTEE

The missions committee has been reorganized this year. We stand ready to work with any project that the churches of the association feel would be worthy of looking into.

One of our primary mission projects is the Migrant Mission Chapel at Rich Square. Theodore Myrick, a black minister, is directing the work on a part time basis. He is employed through the Missions Division of the Baptist State Convention. Funds for the work come from: the North Roanoke and West Roanoke Union of the General Baptist Convention, the Willow Oak Methodist Church of Rich Square, and the West Chowan Baptist Association. These monies are sent to the Baptist State Convention designated for the Migrant Mission work. Added to these designated funds is money appropriated by the Home Mission Board and the State Convention to make up the budget for the mission. Rev. Myrick's salary, travel and lodging expenses are paid from it. Local expenses are taken care of through a local treasurer, Lamar Wheeler, pastor of Woodland Church. Rev. Wheeler reports that $959.90 has been paid this year for utilities, literature, minor repairs, supplies, etc. The insurance on the chapel was paid from the allocation in our budget.

Rev. Myrick is required to send a written report to the Missions Division each month, stating exactly what has been done in the work and ministry for that month. A copy of this report is given to the local treasurer and to West Chowan Association. The mission pastor conducts Bible study and worship every Sunday. A mid-week prayer meeting is held each week. A week of inspirational preaching and worship was held in May with both black and white pastors participating. The offerings taken were given to the Mission for local expenses.

This mission project is a good example of what can be done when people decide something needs to be done. We encourage all of our churches to be involved in misson projects in their communities. Let our committee know if we can be of any help.

God is continuing to bless in a wonderful way. May we continue to praise Him and serve Him.

Lonnie R. Armstrong, Chairman

18. The Evangelism Committee report was given by Jack Mace, pastor of Center Grove and Powellsville Churches.

EVANGELISM REPORT

BOLD MISSION THRUST. Double baptisms, double Co-operative Program giving, win the world to Christ by the year 2000. These are bold statements, but if they ever become realities there must be involvement by every church, every pastor, every Christian. When we are involved, then, and only then, will we be making a BOLD EVANGELISTIC THRUST through the local church.

"The Evangelistic Church on Bold Missions" was the theme of the 32nd Statewide Evangelism Conference at Greensboro during February 6-7, 1978.

Evangelistic speakers challenged about 2,400 pastors and lay persons to involve church members in bold evangelism.

Over 900 youth and adults attended the largest Youth Ministry Week during July 3-8 at the North Carolina Baptist Assembly. All persons participated in specific training sessions.

Over 12,000 youth, pastors, and adult leaders attended the Eighth Statewide Youth Evangelism Night at Greensboro on August 18. Bill Hogue, Director of Evangelism Section, Home Mission Board, was the preacher. Special music was presented by Richard and Judy Bradford from Albuquerque, New Mexico. Young People also had parts on the program. Follow-up work is always assigned o pastors with all youth who make decisions.

Sixty-eight associations have participated in one week Lay Evangelism Schools in recent years with 15,000 youth and adults receiving Lay Witness training from 1,245 churches. Consistent witnessing to non-Christians is essential.

Excellent reports on revival meetings, city-wide crusades, and associational evangelism clinics have been received. There has been good response to associational youth evangelism emphasis.

Christians need to lead unsaved persons to make genuine commitments to Christ and to guide then in their spiritual development. This is evangelism. Assistance is available to help any church plan and develop an ongoing program of evangelism. Free notebooks are available and training sessions will be held in associational clinics across the state.

The Thirty-Third Statewide Evangelism Conference will be held at Cumberland County Memorial Auditorium, Fayetteville, February 5-6, 1979.

Jack Mace

SUNDAY SCHOOL REPORT

This is my first year as Sunday School Director of West Chowan Baptist Association. We had several associational wide meetings. The first meeting was pertaining to Sunday School Action Program which was held at Meherrin Baptist Church. The second meeting was the Bold Mission Leadership Conference held in Ahoskie First Baptist Church. In August there were three area Sunday School planning meetings.

I had the privilege of attending the Bold Mission Sunday School Leadership Conference at Ridgecrest in August. It was a very inspirational and enlightening meeting.

Our first emphasis for 1978-79 is REACH OUT '78. The emphasis should have started October 1 and then run through November 19. This is the plan that should have been followed:

1. Preparation ..... September 24 - October 1
2. Reach Out to Win Week ..... October 15 - 21
3. Reach Out Enrollment Week ..... October 22 - 29
4. High Attendance Day ..... October 29
5. Enrollment Follow-Up ..... October 29 - November 19

Our second emphasis is a Sunday School Action program which will be held the last week in February 1979.

The third emphasis will be Vacation Bible School. I want every church in our association have a Vacation Bible School with one third of them merit, one third of them advanced, one third of them distinguished. It is time for us to step up our quality of Bible teaching in our schools.

The fourth emphasis will be for every church to prepare for a better year in Sunday School by observing Preparation Week September 30 - October 7, 1979.

I led the Church Training Conference during our Associational Key Leader Conference on August 29 at First Baptist Church, Ahoskie. Fourteen churches were represented in the conference. Four of these expressed an interest in starting a church training program in their churches. At present we have eight churches with a church training program.

In August 1969 the church bought the Warren property adjoing the church property for $3,500.00.

Out church called Harold Rumfelt to be our pastor on September 12, 1971. He is still serving as our pastor.

The following have served our church as summer youth workers:

Miss Paula Gupton 1970

REPUBLICAN BAPTIST CHURCH

HISTORY OF REPUBLICAN CHURCH

Republican Baptist Church was organized in 1834 and admitted to Chowan Baptist Association in 1835. Its charter members were drawn from the surrounding churches of Connaritsa, Cashie and Sandy Run. The history of the first 18 years of the church's existence has been lost or was not recorded. What information we have concerning that period has been secured from tradition.

They say that the name "Republican" is a development from the word "public." Before the organization of the church, a building stood at the forks of the road where Republican now is. All public meetings both of political and religious nature were conducted here; therefore, it was spoken of as the "public meeting house" and finally "Republican."

It seems that soon after the organization of the church, a small house of worship was erected. This was painted red and was generally called "The Little Red Church." When the Little Red Church became too small to suit the needs of the community, a larger house was built costing $1,300.00.

In 1863, the Republican Church pulled out of the Chowan Association and went into the West Chowan Association.

In 1864 there were 249 members (54 males, 125 females, and 70 blacks). In 1865 the church had grown to 285 members. At one time, new converts were baptized at Burden's Mill.

The building which we are in now was constructed in 1912 and since then has been remodeled and various features added and removed. These changes include: adding side classrooms, painting of the interior and exterior, addition and later removal of a fence surrounding the church, and removal of spit boxes. Delco battery lights were used until 1945.

From 1958-70, Republican was in a church field with Edgewood Church.

In recent years a new piano was bought, the porch cemented, railing were added, new carpet installed and draperies hung. In 1977 new furnaces were installed.

Danny Poyner was called as our pastor in 1976.

42. Henry Powell, Director of Missions, gave his report "Sharing Christ Through Associational Missions."

REPORT OF THE DIRECTOR OF ASSOCIATIONAL WORK

It is a joy to report to you another very busy and (I hope) successful year in West Chowan Association. In the 32 years that I have served as an Associational Worker in North Carolina, I cannot remember a busier one. I am grateful for the opportunity that has been mine this year to serve in this work.

There has been a very positive and optomistic attitude throughout the year. A large part of this has been due to the enthusiastic spirit of our Moderator, Bobby Cross. His spirit has permeated the work of the Executive Committee and General Board. It is contagious. It has been expressed in many ways throughout the year in every phase of our work.

There has been a very fine spirit of cooperation on the part of the associational leaders. Meetings have been well planned and better attended than ever before.

We began the year with a Workshop for Church Library workers. The Baptist State Convention's Sunday School Department provided a well-trained special worker to lead the Friday night-Saturday morning & afternoon conferences. This

meeting was designed for a very limited target group. Though the attendance was deliberately small; those attending stayed with it to the very end at mid-Saturday afternoon. It was a good meeting.

The annual session last October was unusual. It was the first time I had ever been involved in inviting an SBC Executive to come out to speak to an Associational meeting. Mr. A. R. Fagan, Executive Director-Treasurer of the Stewardship Commission, SBC, spoke to a packed house at Galatia on Tuesday night.

Also in October, nearly 200 Sunday School Officers & Teachers from 30 of our 60 churches came to Ahoskie for a two night Better Bible Teaching Clinic. The State Sunday School Department's age-level department directors came to lead the conferences.

Baptist Youth Night in March was a "standing-room-only" event at Seaboard. A Youth Team from Campbell College presented the program. The summer Apostoli Team was present for introduction. The Seaboard church "rolled-out-the-red-carpet for us, providing both fellowship and refreshments at the close of the meeting.

The Bertie Union meeting in April was the best I have attended. It was also at Seaboard. The attendance was about the same as usual; but the program was outstanding. Three of our pastors and Larry McClure, newly elected Area Missionary for the Baptist State Convention, brought challenging messages on the nature and work of the Church.

Other meetings throughout the year are too numerous to mention. VBS Clinic, Pastor-Sunday School Directors Planning Conference, Church Clerk's meetings, as well as regular organizational meetings.

Another "very" special event this year, another first, was the coming of the Apostoli Team to our Association for the summer. The final report is not complete, but they were here for 10 weeks working in some 15-20 different churches as well as assisting in several Associational events. I have heard nothing but commendation and gratitude for the work of these four young people in our midst this summer.

In May 14 of our Associational leaders spent 3 days at Ridgecrest with about 800 Associational Officers & Leaders from across the State to prepare for the Associational Key Leader Conference in August. This was the climax of the entire year. I admit to partiality, but as far as I am concerned, if we had done nothing else this year, this one event would have justified it all. Never has a meeting been planned for, promoted, and attended as this one. We will continue to see the results of it for months to come. Already church councils have gone back to their churches, discussed their involvement in Bold Missions, and adopted many of the suggested goals as a program of work for the years to come. For this we are deeply grateful.

As for my own personal involvement, I have worked with the Associational leaders in planning, promoting, and implementing the various phases of the Associational program. This means many personal and committee conferences. I have also visited and served in the churches as opportunity came. Preaching, teaching, conseling, sharing, planning, promoting. Through the Associational News Bulletin, I have tried to promote all phases of our State & SBC World Missions program.

Again, let me say that it has been a good year. We have not arrived but we are

moving in the right direction. There are great things, big & exciting ahead. The best is yet to be.

Respectfully submitted,
Henry Powell

SILOAM: Imagine the surprise of Bertie County motorists who followed or met a church traveling down Highway 17. A church covering two lanes of a four lane road moving steadily along. It was a curious surprise to onlooking travelers, but a joyous day indeed for members of Siloam Baptist Church to be moving our church to its final home site.

Siloam Church was established in 1885 by Bythiel Leggett who started a small service in his front yard. From his yard the little church moved to an old store building. In 1889 the first building was built on a site on the Speller Ferry Road. In 1929 the building was moved to a site on the St. Francis Road. The site was loaned to Siloam by the Bertie Bond family and the building has remained there for the last 49 years.

On July 25, 1978, the Siloam Church was again moved several miles to its final home on a site on the Cedar Landing Road. This site was donated by members of the church so that a new sanctuary is ready and then this portion will be used for Sunday School rooms.

Siloam members are anxiously waiting for the completion of our new building and anticipating the continuing growth and prosperity in the service of the Lord.

WOODLAND: Purchased a church van; church records were microfilmed; parsonage was air conditioned; had a G. A. Recognition Service.

Constitution

NAME

Article 1. This body shall be known as the West Chowan Baptist Association of North Carolina.

MEMBERSHIP

Article 2. It shall be composed of Messengers elected by the churches connected with this body and all ordained ministers who are pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two Messengers, and for each additional one hundred members, an additional Messenger, provided that no church shall have more than ten messengers.

PURPOSE

Article 3. The purpose of this Association shall be to inspire, encourage, and enlist its membership in a spirit of brotherly love and cooperation, for the promotion of the entire program of our denomination; to the end that the gospel of our Lord and Saviour Jesus Christ might be proclaimed with greater power and effectiveness in our Association, our State and Nation, and unto the uttermost part of the world.

POWERS AND PREROGATIVES

Article 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor a court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. There shall be full recognition of the autonomy of the local church and there shall be full recognition of the autonomy of the Association. However, in view of the combined wisdom, piety and intelligence of the Association, it justly claims the very highest consideration and regard for itself, its objects and its recommendations.

Article 5. Any Baptist church in good standing approving the design, objects and principles of this Association, and holding the same doctrines and ordinances, may be admitted into fellowship upon two-thirds vote of the messengers. All applications shall be referred to the Membership Committee for study. Church desiring membership should give notice by making application one year in advance.

Article 6. The Association may dissolve its relation with any church that consistently refuses to support the design, objects and principles of the West Chowan Baptist Association. Any irregularities which are reported shall be referred to the Membership Committee who will report their findings to the next Associational meeting. The relationship may be dissolved by a two-thirds vote of the messengers one year after irregularities have been brought to the attention of the Association.

RIGHTS AND DUTIES

Article 7. Every church shall be requested to contribute a percentage of its gifts, or so much per resident member for defraying the expenses of the Association and for direction of the promotional education and missionary work of the Association. This percentage or amount shall be sent to the Associational Treasurer monthly by each church Treasurer.

Article 8. Every church will send to every annual session of the Association a Letter on the form adopted by the Association with such additional information as it may deem fitting.

Article 9. Any church wishing to dissolve its relationship with the Association in order to transfer to another association may do so with a majority vote at any regular Associational meeting.

GENERAL BOARD REPORT

The General Board met 4 times during the year. Bobby Cross, Moderator, presided at each meeting.

At the December meeting a new office location was approved. The new site, 116 N. Mitchell, was recommended by the Office Committee, Franklin Stansbury, chairman. The Committee was instructed to make necessary improvements to the new space up to a maximum of $500 in cost.

In March, the Board voted to accept the date of March 18, 1980 as the time for the Association's 150 anniversary Rally celebrating the organization of the N.C. Baptist State Convention in 1829. The program for this Rally to be provided by the Stewardship Division of the State Convention.

The major action of the June meeting was the approval of the 1979-80 budget as presented by the Budget-Finance Committee, Harold Rumfelt, chairman. The Budget-Finance Committee also recommended the expenses of Associational programs be taken care of in the budget allocations rather than special offerings being taken at the various meetings to pay for the cost of the programs. This recommendation was ap-

proved. A motion was also made and adopted that the suggested goal for Associational support be increased from 2 to 3%.

In the October meeting the proposed budget was amended because of unexpected increases in utility costs--the Home Utility item being increased from $1500 to $1800. This increased the total budget from $31,200 to $31,500.00.

At each meeting reports were received from the Associational organization directors, Associational officers, as well as General Board committees.

Respectfully submitted,
Bobby Cross, Moderator
Mrs. Henry Powell, Clerk

REPORT OF THE EDUCATION-PROMOTION COMMITTEE

Webster defines education as "the process of developing knowledge." He defines promotion as "an act of stirring up interest."

The Education and Promotion Committee of the West Chowan Association feels that only when people are well informed about the ministries of their association can they really get excited about its work.

In a letter to all pastors our committee encouraged the churches to get involved in the life of the association. We further encouraged the pastors to use every available resource to promote the work of our association. As a committee, it is our hope that because you have been informed you will promote association missions in order that the Lord's work may continue to be done in our area.

Respectfully submitted,
Robbie Parker, Chairman

17. The Moderator called on Franklin Stansbury for a report on the work of the special Office Committee that had been elected by the Executive Committee during the past year. Mr. Stansbury reported that the Committee first decided that the Main Street office location was not the best one and proceeded to locate a more desirable office space. Such a place was found at 116 N. Mitchell, just around the corner from the Main Street location. The new site was presented to the Executive Committee and approved. Since the new office would cost $50 per month less than we were paying for the Main Street location, the Office Committee was given permission to spend this difference, approximately $500 for the remainder of the Associational year, to prepare the new location for occupancy. The improvements to be made were: a partition between the front Secretary-Reception area and the inner Director's office, carpeting the inner office, tile for the bath and work rooms, shelves/bookcases for the inner office and work room. Much of the materials and all the labor was donated so that the total cost was only about $300.00. Only two minor things remain to be done: A sign for the front door and bulletin boards in the two offices.

18. The Treasurer's report was presented as information.

19. Donald Clinton, Chairman, presented the report of the Nominating Committee. There were 2 vacancies for age-level leaders in the Sunday School organization. Motion was made that the Associational Sunday School Director enlist these to complete his Associational Sunday School staff. This motion carried. There being no nominations from the floor, motion was made that the report of the Nominating Committee be accepted and the suggested officers elected for the coming year. The motion carried. (See Associational Directory, page 1, for the officers for 1979-80.)

21. Tommy Hayes led in singing "Blessed Be The Name" accompanied by Mrs. Daniel M. Spell on the Piano.

22. The Moderator called for reports of the Associational organizations. First, the Associational Sunday School report by Director Gerald Riggs. Mr. Riggs' report contained 5 recommendations. Motion was made that these recommendations be adopted. The motion carried.

SUNDAY SCHOOL REPORT

Reaching people and involving them in purposeful Bible study has made progress in the West Chowan Baptist Association this year.

We had our Action Campaign in February with 11 churches participating. Approximately 523 new members were enrolled in Sunday School during the Campaign. Considering the weather that we had, which was SNOW, I feel we had good results.

The 2 Vacation Bible School Clinics were held on the same day with a morning and night sessions. More of our churches need to start early in securing their VBS workers, so they can attend the Association VBS Clinics.

The Key Leadership Conference in August was well attended by the SS Directors. Since the Key Leadership Conference, I have had 2 invitations from churches inviting me to come and help them in upgrading their SS organization and setting goals to reach more people in Bible study.

I have 5 recommendations that I would like for you, the messengers of the West Chowan Association, to consider:

1. To promote High Attendance Day in our Sunday Schools, which is the last Sunday in October each year.
2. That we set a goal of every officer and teacher in our Sunday Schools to be in attendance at the Central Training School, November 5-6, at the First Baptist Church, Ahoskie.
3. That every church adopt a Bold program of Outreach for the Church Year 1979-80.

   Example: Action program, Growth Spiral, New Reaching...Age-Graded books, and the Outreach ideas age-group booklets, People Search Guide Series, etc.
4. That we encourage every church to encourage their Youth and Adults to read the Bible through in 1980.
5. To encourage every church to adopt the Sunday School Leadership Diploma Plan.

Respectfully submitted,
Gerald K. Riggs,
Sunday School Director

23. Franklin Stansbury, Director, presented the Church Training Report which was accepted as information.

CHURCH TRAINING REPORT

It as been a privilege for me to serve as Associational Church Training Director during this past year. I have been involved in many activities as I have carried out my responsibilities.

In November, "M" Night was at Askewville Baptist Church. The program included several singing groups and solos. Keith White, pastor of Oak Grove Baptist Church, was the speaker. Refreshments were served following the meeting.

Youth Night was at Harrellsville Baptist Church. Rev. Tony Brewington, Director of Missions in the Burnt Swamp Association, was the speaker. He and his wife sang several songs. A Puppet Team from Chesapeake, Virginia, presented part of the program.

With our Associational Key Leader Team I attended the Key Leader Conference at Ridgecrest in May, then led the Church Training Conference in our Associational Key Leader Conference at the First Baptist Church, Ahoskie, in August. Four of our churches were represented in this conference.

This year "M" Night will be at the Galatia Church on November 26, at 7:30. Youth Night will be at Aulander in March.

In July I also had the opportunity to attend Church Training Week at Ridgecrest.

Respectfully submitted,
Franklin Stansbury
Church Training Director

Each of the age-level organizations met in addition to our first Young Baptist Women conference. Other conference leaders were Mrs. Henry Powell, Mission Study; Mrs. Lonnie Armstrong, Mission Support; Mrs. David Giffin and Mrs. George Hewitt, Mission Action.

In December we sent gifts of bedroom shoes, earrings, scarves and candy to the State WMU office in Raleigh to be given to the residents of the NC Correctional Center.

Each church in our Association was given a list of International students at Chowan College to be used in Mission Action projects. Several churches responded.

The Associational WMU provided draperies for the new Associational office. A set of luggage was given to our Director of Missions and Mrs. Powell as a token of love and appreciation.

The 85th Annual Session was held on April 3 at the Ross Baptist Church with approximately 250 attending. Dr. George Braswell, Jr., author of "To Ride a Magic Carpet", told of his work as a missionary teacher in Iran. Dr. Braswell, along with Rev. and Mrs. Irby Jackson, were guest speakers. The theme for the day was "Reaching Out."

They also held Association wide Foreign and Home Mission studies. An Acteen from Ahoskie First Baptist, Anna Bess Brown, served as a Resort Summer Missionary in Boone, N.C.

5 WMU Scholarships were given this year. Those receiving these Scholarships were: James Ward, Brantleys Grove; Tony & Jim Burnett, Buckhorn; Yvonne Crawford, Harrellsville; and Wendy Minton, Union.

2 of our Associational WMU officers serve in state WMU positions. Mrs. Gerald Riggs is Acteen Committee Chairman for the Executive Board; and, after having served 3 years on the Board as BYW Committee Chairman, I was elected BYW Approved Worker in January, 1979.

Respectfully submitted,
Mrs. Randy Britton
WMU Director

25. The Brotherhood report was presented by the Director, Thomas Hayes.

BROTHERHOOD REPORT

The Brotherhood of West Chowan Baptist Association sponsored 3 major events during the past year. The first was the Royal Ambassador Basketball League. We had a good participation with 7 churches represented: Ahoskie First Baptist, Creech Memorial, Elm Grove, Meherrin, Murfreesboro, and Union. The Older Crusaders (ages 9-11) of the Murfreesboro Church was the winner in their age-group; Meherrin was the winner in both the younger Junior High & Older Senior High age-groups. Meherrin represented us in the Region of the State Convention Play-off.

The second event was the Men & Boys Rally held at the Buckhorn Baptist Church. There were 14 churches represented. The program was on Volunteer Missions. Royal Ambassadors Jon Royce & Mike Bunch of the Murfreesboro Church, who had been to Mexico on a Mission project, and Baptist Men G.T. Pittman & Willie Ray Harrison of the Askewville Baptist Church, who had been to the Carribean on a Mission work project, presented slides and a report of their work.

The third event was the RA Track Meet. There were over 150 boys who participated in The Meet. The winners represented West Chowan in the State Track Meet atCampbell College. The West Chowan Team once again brought home the State Championship Trophy. Those who placed first in the State Meet then went on to the Tri-State North-South Meet at Wake Forest and helped North Carolina RAs win.

A regional workshop for all age level Leaders was held at Edenton.

There is a tremendous need for strengthening the work of Brotherhood in the West Chowan Association. There were 29 churches who reported no Brotherhood work in 1978. We men have a call to become involved in Missions and we have the responsibility to provide for our boys missionary education. RISE UP O MEN OF GOD!

Respectfully submitted,
Thomas G. Hayes
Brotherhood Director

26. Mrs. R.G. Whitley gave the Music Report for the Director, Mrs. William Lawrence, who was ill and could not attend.

MUSIC REPORT

Christian music is an expression of the Soul's inmost dedication and committments to God. In the year 1978 - 79, the Committee of Church Music of West Chowan Baptist Association has encouraged the enlistment of people in our church music programs. We gave assistance to individual church music groups upon request. We advanced the Bold Missions goals through church music by encouraging choir groups to establish a prayer chain within its own group.

The adult choir materials workshop which was planned did not materialize. However, this workshop is to be January 21 & 22, 1980.

Respectfully submitted,
Mary R. Lawrence

A BRIEF HISTORY OF ROSS BAPTIST CHURCH

Ross Baptist Church, organized in 1804 and named in honor of its founder, Martin Ross, is the 7th oldest Baptist Church in Bertie County.

Martin Ross was one of the major leaders of the early Baptist movement in North Carolina. He was born in 1762 near Williamston, N.C., to parents of Scottish descent. The family had moved to this area from Virginia. After service in the American Revolution, he took up his life's work, the ministry. He was baptized in 1782, married in 1783, and licensed to preach in 1784. He was an early proponent of the missionary cause. He helped found the first society for that purpose in 1805. He married for the second time in 1806, his first wife having died in 1796. Beginning in 1808, he worked toward a "Meeting of General Correspondence," a forerunner of the Baptist State Convention. Ross died in 1827 at the age of 65 after a full and active life which had involved him in church affairs throughout the northeastern part of our state.

Ross Baptist Church, first organized as "Ross'es Log Meeting House", met in the beginning under the trees beside Cucklemaker Swamp, about ½ mile from the present building. Soon a log building was erected which had a board shed in front. Other, more elaborate, buildings followed. The building took on its final shape in 1904. Though termed a remodeling, the work done was quite extensive. The building was weatherboarded on the outside and paneled with ceiling on the inside. In the early 1930s, the area behind the pulpit was divided into classrooms for Sunday School. In 1935 a piano was purchased to replace the organ. In 1945, the interior was cleaned and varnished. Electric lighting was installed the next year. The parsonage was built in 1948. The balcony area was partitioned into classrooms in 1950. In 1963, new pews and carpet were installed. The pulpit area was enlarged and an organ, given by Mr. W.R. Lawrence, was added as well. In 1970 the exterior of the church was bricked. A Church Education Building was added in 1972.

Ross Baptist Church was originally a member of the Kehukee Association. In 1806 that Association split over the question of missions. Ross and those churches favoring missions formed the Chowan Association. In 1883, the Chowan Association split along geographical lines. In 1884 Ross joined the West Chowan Association, of which it is still a member. Association meetings have been held previously at Ross in 1890 and 1904.

Ross Baptist Church

DAVID GIFFIN, PASTOR

Due to difficulty of transportation, church services were held only once a month until 1918. These services took place on the 4th Saturday and Sunday of the month. In 1918 the church began holding services twice a month, as it does to this day--with the addition of evening services. Membership records go back as far as 1884. At that time, the membership was 536. The number climbed over the years until 1911 when there were 842 members. The membership has decreased since then due to the founding of more accessible community churches. The membership is now 292.

There has been a Sunday School at Ross since at least 1884. Meetings were held every Sunday except during December-March. In the early days, there were only 2 classes, one for men and one for women. Enrollment was 378 in 1890, rose to 456 in 1911, and has decreased over the years to the present 172.

Pastors have been: Martin Ross, Henry White, Thomas Hoggard, West Leary, Jeremiah Burch, J.A. Speight, T.T. Speight, R.B. Lineberry, W.H. Hollowell, J.H. Barnes, A. Finch, G.W. Burch, J.O. Walton, W.O. Andrews, E.R. Stewart, L. Sasser, R.V. Young, E.G. Willis, N.A. Hicks, R.F. Lambert, C.R. Hodges, H.M. Huggins, J.E. Branch, and the present pastor, David L. Giffin.

Respectfully submitted,
Mark Steven Bunch

37. Henry Powell, Director of Associational Work, gave a report of his work for the past year.

REPORT OF THE DIRECTOR OF ASSOCIATIONAL WORK

Would you be so kind as to grant me one moment of sentimentality as I bring you my 5th report as your Director of Associational Work! It was just 5 years ago the second Sunday of December, December 8, 1974, that I officially began my work here in the West Chowan Association--here in this pulpit at Ross Baptist Church, as it was my privilege to preach the dedicatory sermon for the dedication of the new Education Building that had just been completed and occupied.

I had moved my family to Ahoskie during the Thanksgiving holidays and returned to western N.C. to complete my work there in preparation for the move to the West Chowan. I arrived in Ahoskie late Saturday evening, December 7, and then came to Ross Sunday morning for my first official speaking engagement. That was the first of many very pleasant moments of fellowship with the people here as well as the other 59 churches of the Association during these 5 years.

Much has happened during these 5 years for which we are deeply grateful to God and to the people of our West Chowan Churches.

This past year has been no exception. It has been a full and busy year.

Since January 1 I have been in 49 of the 60 churches--either speaking or visiting at the time of a regular congregational service. Late last year I decided that I would make a special effort, beginning January 1, 1979, to visit every church just as quickly as possible. I began at the top of the list alphabetically, Ahoskie, First Baptist, Ashleys Grove, etc. Things went very well the first 6 months. By July 1 I had visited 44. Today, I still lack 11 getting around to all 60. I had hoped to be in every church at least one time during the first 9 months but found it impossible to do so. I shall continue this visitation schedule, hopefully visiting all 60 churches at least one time during the year. Then I will start over again.

It is my purpose to visit all the churches as regularly as possible. However, just running over these 3 counties & visiting churches is not my primary responsibility. Top priority is ministry and service. Let me remind all of you again that you make my schedule. My little black datebook is open for you to fill in when I can help in any way. Do not hesitate to let me know when you need me.

Several important things have happened this year. First was the decision of the Executive Committee and General Board to seek a more desirable location for the Association's office. Rev. Frank Stansbury was appointed by the Moderator as Chairman of the Office Committee. The Executive Committee approved the location at 116 N. Mitchell as recommended by the Committee. An amount not to exceed the difference in cost of office rent for the year was authorized for the committee to spend for necessary improvements to the new space. Much labor and materials were donated. Except for one or two minor things, the office at 116 N. Mitchell is complete and being used. Although slightly smaller in square footage than the N. Main Street location, it is more compact and usable with much less wasted space. If you have not been by, you are invited to come by anytime.

Two new machines in the office have improved the efficiency of the work and also made the office more useful to the Associational leadership and the churches. The latest

of these is the Electronic Stencil Maker. This first year we will cut approximately 1,000 stencils on this machine. This will be a savings of several thousands of dollars in cost as well as hundreds, perhaps thousands, of man hours saved. These machines, the Stencil Maker, the paper Copier, are for the use of our churches as well as the Associational office. There is no charge for the use of this equipment; and we invite you to use it as needed.

The various Associational Meetings have been well attended. Associational Leaders have sought diligently to be well prepared. We have tried not to have meetings just to have meetings; but have sought definite purpose for any Associational Meeting that we ask you to attend.

Another very pleasant surprise to everyone has been the remarkable improvement in the financial situation. If the present trend continues, the work of the West Chowan Baptist Association will be firmly established on a solid financial foundation.

It has been a very busy, and I hope a good, year--for which we are grateful. But we must not be satisfied to rest on the accomplishments or the laurels of the past. Let us not think for a fleeting moment that we have arrived; we have not. We are heading in the right direction; but we have not arrived. There is still much to be done. We stand on the threshhold of a new decade--the 1980s. We survived the decade of the 70s with some turbulent change. We approach the 1980s with an air of expectancy and excitement. The challenge is great; the future is bright.

Let us leave this 97th annual session of the West Chowan Baptist Association with a dedication and determination that this Association will become the greatest avenue of service that our churches have ever known and that being a part of this Associational fellowship will become the most meaningful relationship that our churches have ever shared.

A Baptist Association has been defined as being, "A fellowship of Baptist churches on mission together in their setting". Let's make that a reality in the West Chowan Association in the days ahead.

Respectfully submitted,
Henry Powell

THE HISTORY OF MARS HILL BAPTIST CHURCH

In 1853, in a small community near what is now "Trap", in Bertie County, the people met in a school house about ½ mile from the present site of Mars Hill Baptist Church and engaged in a prayer meeting, which lasted for 12 days. When the meeting closed there were 32 professions of faith in the Lord Jesus Christ. Rev. John Nowell came and administered the ordinance of Baptism in the Chowan River. Out of this originated the desire for a Baptist Church.

The people in this immediate vicinity, members of Colerain Baptist Church, living some distance from their church and realizing the need of and seeing the possibilities of a Baptist Church, agreed to take letters and organize themselves into a new church.

On September 29, 1854, the people met and 18 persons came forward with letters of dismission from Colerain Church to organize this fellowship which was named Mars Hill.

The first business of the newly organized church was the adoption of the rules of Decorum and Covenant of Faith. Rev. B.B. Williams was called as pastor and served until the Civil War. He left the church during the war to serve as a Chaplain in the Southern Army. Without pastoral leadership and so many of the men gone to war, the people found themselves disorganized and the church struggled to exist. Reorganization was necessary in 1866 so that the church might again work in peace, union and fellowship. The Rev. B.B. Williams again became pastor of the church on January 1, 1867. Thus, the Church was launched, and under the blessings of God, it grew in membership and everlasting faith.

On February 16, 1903, a destructive storn swept through the neighborhood, greatly damaging the church building. A committee was appointed to examine the building to see if it could be repaired or rebuilt. The committee reported that a modern building would replace the old one. During the building of the new church building, services were held at the Perry School House.

On September 29, 1906, the members of the Mars Hill Church assembled for the purpose of dedicating their new building--exactly 50 years after they had first organized with 18 members.

On June 26, 1940, the church was again destroyed; this time by fire. But soon work was begun on a modern brick building, designed by men of the church with much material and labor being donated by the men of the church. Total cost of construction was $18,000.00.

In 1960 a new parsonage was completed and Rev. Earl Haynes became the first pastor to occupy the new parsonage. The debt on this addition to the church property was paid off in October, 1962. During Mr. Haynes' ministry, Mars Hill accepted the task of becoming a full time church, thus breaking the field with Union Baptist Church.

In 1969 the church voted to install central heating & air conditioning. In 1972 the lot adjoining the church, which had been loaned to the county for the purpose of education, was reverted back to the church and a tennis and basketball court was built.

On April 27, 1975 the church voted to build an addition to the church building which was to include 2 classrooms, 2 bathrooms, a kitchen and fellowship hall, at an approximate cost of $25,000.00, with some of the work to be done by the church members. Dedication services for the Education Building were held in the spring of 1976 and the debt on the building was paid off in 1978.

125 years has passed since the organization of the little church of 18 members, but none other than the Lord can measure the good it has accomplished. On September 29th, Mars Hill Church was 125 years old and we trust it will continue to go forward in the Lord's work.

72. Lonnie Armstrong, Chairman, gave the report of the Missions Committee.

MISSIONS COMMITTEE REPORT

Our joint mission project at the Migrant Mission Chapel has undergone a drastic change due to the changing of programs by the Federal Government. They switched from an all-family type program to one of all young single adults. During the time of this transition, the Chapel ministry had to be revamped to meet the needs of this particular group.

Several churches have responded in helping to meet the needs. Some have given health kits and books to help with spiritual guidance. The Church Extension Department of the Missions Division of the Baptist State Convention gave 50 Bibles. The Acteens of the First Baptist Church of Ahoskie gave 25.

The first group has finished their training and has moved out. A new group was scheduled to move in on or about October 8. The training cycle lasts for about 6 months. They are limited to 50 students that are carefully screened from an area of 7 states. Rev. Myrick reports that many of the students had become involved in the services and really hated to leave by the time the first group completed their work.

Continue to pray and support this mission project. Pray that the door will be opened for others to be done in our association.

Respectfully submitted,
Lonnie R. Armstrong, Chairman

73. Dr. Hargus Taylor, Chaplain at Chowan College, presented the report on Christian Higher Education. He recognized Robert Abrams from Gardner-Webb College who also brought greetings from Gardner-Webb.

74. Gerald Riggs led in singing "Christ Receiveth Sinful Men" accompanied on the piano by Tommy Hayes.

75. The Pastors' Quartet provided special music.

76. Ralph Harrell, Southern Baptist Missionary to Denya, West Africa, brought the closing Missionary message.

77. Moderator Bobby Cross presented the gavel to Moderator-elect, Robbie Parker. He led the closing prayer to adjourn the 97th annual session of the Association.

9. The report of the general board was given by Henry Powell for Mrs. Powell, the association's clerk, who was absent because of illness in the family.

General Board Report

The association's general board met three times during the year -- December, June, September. (The March meeting was canceled by the Executive Committee because there was no known business that required the attention of the board at that time.)

In each meeting reports were given by the various associational organization directors and the board's committees concerning the work being done.

In the December meeting the following actions were taken:

1. Upon recommendation of the Executive Committee, accepted Dr. Bruce Whitaker's invitation to hold the associational 150th anniversary (of the organization of the Baptist State Convention in 1830) rally on the campus of Chowan College.

2. Elected the three members-at-large to serve on the Executive Committee during the year. They were: Lonnie Armstrong, chairman of the Missions Committee, Northampton County: LeRoy Huthmacher, chairman of the Education-Promotion Committee, Bertie County; and William Lawrence, moderator of the Bertie Union, Hertford County.

The other three committee chairmen were also to serve on the Executive Committee in an ex officio (non-voting) capacity, they were: Jack Mace, chairman of evangelism; Lemar Wheeler, chairman of stewardship/budget/finance; and Joe McLean, chairman of the Christian Life/Public Affairs Committee.

3. The budget allowance of office rent was increased $10.00 per month because of an increase in rent by the owner of the building.

In the June meeting the board accepted the recommendation of the Executive Committee that a 25-member Long Range Strategy/Planning Study Committee be authorized to make a study of the association and its work with a view to recommending some long range objective and goals for the future of the work. The Executive Committee was to appoint this committee.

Lemar Wheeler, chairman of the Budget/Finance Committee presented a proposed budget for 1980-81. Item #20 in the budget, convention expense, was discussed in detail. Since the 1981 meeting of the Southern Baptist Convention will be in Los Angeles, the associational director was authorized to put the current unused $400.00 convention expense allocation in a savings account designated for the Southern Baptist Convention in Los Angeles, 1981. Rather than increase the $600.00 in the '81 budget for convention expense, the director was instructed to keep an accurate account of expenses on the trip; to be reimbursed in full by the treasurer upon return from the convention.

When informed that the Baptist State Convention had adopted a policy suggesting that associations with more than $1,000,000.00 church income per year should be self-supporting in their base operational budget, the board voted not to request any financial support from the state convention during 1981. (Our total church income is now over $2,000,000.00 per year.)

Respectfully submitted,
Robbie Parker, Moderator
Mrs. Henry Powell, Clerk

10. Lonnie Armstrong, chairman, presented the report of the Missions Committee.

Missions Committee Report

The Missions Committee reports that the migrant mission ministry has been very active with the two groups that have been through the farm workers training center this year. These are young adults. Many of them have been in church before. Some of them are anxious to do service. Rev. Myrick, the minister, reports they have been organized into a functioning Sunday school and for worship. Several professions of faith have been made and many commitments to special service through this ministry.

West Chowan Association carries the major responsibility for this work, in a joint effort with the Baptist State Convention, the General Baptist Convention and the North Carolina Conference of A.M.E. Methodists. Rev. Lemar Wheeler serves as treasurer, and all funds are sent to him to be dispersed.

There is a question of how much longer this type of training will be funded by the federal government. But as long as there are people moving through the center, we need to make sure there is a ministry carried on.

Pray for missions and mission support that the gospel may be shared with all people.

Respectfully submitted,
Lonnie R. Armstrong, Chairman

11. Henry Powell presented the report of Jack Mace, chairman of evangelism.

Evangelism Report

BOLD MISSION THRUST will never become a reality without a BOLD EVANGELISTIC THRUST. As we concentrate on reaching the lost throughout the world we must not overlook those who live in our own area. In 1979 our churches reported a grand total of 16,189 members with 190 baptisms. This means that it took 85 to win one last year. We must do better than this. After we win them, they must be developed. All this is evangelism.

"Bold Witnessing Churches" was the theme of the 34th statewide evangelism conference, February 4-5, 1980 at Greensboro. Eight practical evangelism conferences, relating to helps for growing churches and discipling members, were held during the first afternoon session at the First Baptist Church, Greensboro. About 2,400 pastors and lay persons heard inspirational speakers at War Memorial Auditorium.

Fifty-four associations have involved their churches in a Bold Evangelism Clinic, encouraging church leaders to plan specific, on going programs of evangelism in the local church, with the use of the notebook, *Bold Evangelism Through the Local Church*. About 30 of our pastors and laymen attended such a clinic in our association on May 20, 1980.

New materials on lay evangelism schools prepared by the evangelism section of the Home Mission Board, are now available for use by our churches. The lay evangelism school is a one week effort to train youth and adults to become more effective witnesses for Christ to the lost.

Evangelism clinics for bi-vocational pastors are now being held across the state to assist pastors of rural-small churches, and churches with no baptisms in practical ways of evangelism planning to involve members in witnessing.

All Baptists are urged to participate in the joint statewide evangelistic crusade in 1982. The theme will be "Here's Hope." Interpretation meetings will be scheduled across the state to share suggested plans and basic thrusts for the 1982 joint crusade effort, which is sponsored by the Baptist State Convention of North Carolina and the General Baptist State Convention. The simultaneous revival dates for the three areas of our state are: Coastal - March 14-28; Piedmont - April 4-18; and Mountain - April 25-May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested dates.

Let us pray that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

Respectfully submitted,
Jack Mace

Sunday School Report

The Sunday school is designed to reach people for Christ and for church membership through Bible study. Its primary purposes are to reach persons, witness to them about Christ and teach them the word of God that they may grow and develop as Christians.

As the outreach organization, the Sunday school is the evangelistic army of the church. Members, workers, teachers, and pastor work together to invite and bring friends and others to Bible study to tell them about Christ and to lead them to accept Him as their Lord and Saviour.

When properly organized, the Sunday school can carry out the mission of outreach and witnessing. It should be organized on an age-graded basis for the purpose of assigning responsibility for reaching people. Thus every prospect becomes the responsibility of some group in the Sunday school.

Within the Sunday school organization, teachers have the responsibility for the overall process of reaching and teaching. They are to teach the word, tell of Christ, and make sure every member, from older children through adults, knows how to be saved.

Outreach leaders have the responsibility to mobilize the Sunday school class members in youth and adult classes and teachers in preschool and children's departments to reach people, invite and enroll them in Bible study, and share Christ with them as appropriate.

Every worker is given the responsibility of ministry, visitation, and witnessing. They make regular contact with specific members and prospects.

During this coming Sunday school year 1980-81, I would like to see the churches in the West Chowan Association adopt the Arthur Flake plan for Sunday school growth. This is the Arthur Flake plan: 1. Find the people - survey the community. 2. Enlarge the organization - start new classes and departments. 3. Provide the space - adjust present space, space outside present building, add new space. 4. Enlist and train workers - enlist from resident church membership roll, provide a class for

potential workers. 5. Go after people - have a regular visitation program.

Let's make 1980-81 Sunday school year the greatest in the life of our churches.

Respectfully submitted,
Gerald K. Riggs
Sunday School Director

Church Training Report

CHURCH the Sunday Night Place for Training, Worship, and Fellowship.

The training program of a church is concerned with equipping all God's people for the work of Christian service, to build up the body of Christ (Eph. 4:12 TEV). The equipping centers were made available in 1979. Equipping centers are a series of modules (units of study) grouped around a basic subject area, utilizing a variety of learning approaches. Our association has 16 of these modules and you may obtain them from the associational office.

During this past year, there have been many activities that have claimed our attention in the church training area. "M" night was held at Galatia Baptist Church in November. Rev. Frank Hollifield, pastor of Creech Memorial Church in Ahoskie was the speaker. Others on the program included the youth choir of Galatia Church and "Hee Haw" from Nashville from the Elm Grove Church. An event well attended with awards in attendance going to Bethel and Galatia churches.

An associational church training workshop was held at Mt. Tabor Church in March. As a result, Mt. Tabor started a full church training program in April. Youth night was also held in March. We had a packed house at Aulander Church with Felix and Betty Wagner as special guests. The youth choir from Union Church was also on the program that night.

As church training director, I attended the Key Leadership Conference at Ridgecrest in May. Also had the associational Children's Bible Drill Tournament at Creech Memorial Church in Ahoskie in May. We had two churches to participate, Mt. Tabor and Askewville. Five participants went on to the state Children's Bible Drill Tournament in Asheboro, North Carolina. Those state winners were: Battle Whitley, Mt. Tabor Church and Susan Jernigan, Renee Stansbury, Melinda Johnson, and Shirley White, Askewville Church.

The Key Leadership Conference in August at First Baptist Church in Ahoskie was well attended by church training directors and other lay persons interested in a training program in their churches. As a result of this conference, we were asked to lead a workshop at Union Baptist Church in September and they began a full time church training program as of October.

As associational Children's Bible Drill Rally was held at Askewville Baptist Church on Sunday, September 28th. Six churches were represented with a total of 45 in attendance. Hoping to have more state winners in Children's Bible Drill from our association this year.

Plans are in the making for another great year in church training. "M" Night will be held Monday, November 24, 1980, at Creech Memorial Church in Ahoskie. The speaker will be Rev. Jack Calloway of Mt. Tabor Baptist Church.

Southern Baptist Convention had an increased enrollment in church training in 1978, the first in 18 years. West Chowan is a part of this increase. As associational

director, I wish to express my appreciation to each of the church training associational workers, and to all the churches for the cooperation given to me.

Franklin Stansbury

Brotherhood Report

This year has seen an increase of Baptist Men and Royal Ambassador activity in our association. We are proud that there are several new organization. Across North Carolina, more visibility of the Baptist Men is evident as they are becoming more involved in missions. It is the philosophy of Baptist Men to provide opportunity to every man to minister in the area that is of most interest to him, whether it be prison, overseas, home, hospital, rest home, or community missions.

Events held during the year are as follows: R.A. basketball league, men and boys rally, and R.A. track meet with the winners going on to become state champions again this year. Training opportunities were the regional workshop in Edenton, R.A. counselor training at Union Baptist, and Baptist Men training at Union. These were all associational wide opportunities. Upcoming events and opportunities include a joint mission action project with the W.M.U. for Odum Prison.

Pleasant Grove Baptist Church

Historical Sketch of Pleasant Grove Baptist Church

While the official records prior to 1883 are no longer extant - having been destroyed by fire - an account in the April 19, 1837, issue of the *Biblical Recorder* indicates that Pleasant Grove Baptist Church was constituted on April 2, 1837. The reported, Samuel J. Wheeler of Murfreesboro, noted: "We have just attended a very interesting meeting in this county [Hertford]. A new meeting house was dedicated and church constituted under the name of Pleasant Grove on Sunday 2nd inst [ant]. Brethren Craig, White, Powell, Mitchell, Hawley, Bazemore were present, at different times, during the meeting. A protracted meeting was carried on some time, and signs of good were visible." The ministers mentioned in Wheeler's account were Andrew Murdock Craig, Harvey J. White, Jesse Powell, Segar Mitchell (a licentiate of the Ahoskie Church), Francis Hawley, and Stephen Bazemore. According to a note which the clerk has appended to records of the church, 1883ff., the constituting presbytery consisted of Elders Bazemore and Hawley.

On the basis of the church's initial report to the Chowan Baptist Association (May 1837), it appears that Pleasant Grove was constituted by eleven (11) members who had taken letters of dismission from Connaritsa Baptist Church for that purpose. While all of these charter members are no longer identifiable, they included Godwin Cotton Moore, Abner J. Perry, Augustus (?) Joyner, and the Rev. Harvey J. White. White was chosen as the first pastor. Moore, and probably Perry, were the first deacons. Abner J. Perry was the first clerk from whom we have any extant record, his name being listed as church clerk in the report to the Chowan Association in 1842. The lot on which the meeting house had been erected was donated by Dr. Godwin Cotton Moore.

By 1869, at which time the Rev. John Mitchell was pastor, the church had increased in membership to 135. Moreover, in the same year she reported two Sunday schools, with an enrollment of 60 scholars and 10 teachers. The attempt to maintain a Sunday school appears to have been particularly difficult during the earlier years. While there is record of a school as early as 1847, the annual reports to the Chowan Association indicate that it enjoyed a "checkered" existence, at best. Sunday schools were reported only for the years 1847, 1851, 1856, 1861, 1867-72 and 1875-79. However, the Sunday school has maintained a continuous existence since its last "reorganization" in 1883.

That same note appended to the church records for 1883ff. indicated the time of meeting for the church was set originally for the "first Sunday in each month and Saturday before until the beginning of the year 1863, when the time of meeting was changed to the fourth Sunday and Saturday before for the convenience of the beloved pastor at that time, Rev. John Mitchell, and sometime after the time of meeting was changed to the second Sunday and Saturday before which time we continue to meet . . . ." The church extended its preaching ministry from one-quarter to one-half time in 1933, under the pastoral leadership of the Rev. K.E. Bryant. By the time of the pastorate of J.N. Baggett (1968ff.), services were being conducted on every Sunday. The church completed the construction of a parsonage for her first resident pastor the Rev. Bob Baker, in 1977.

Church membership grew from those eleven (11) charter members in 1837 to a high of three hundred sixty-five (365) members in 1948. Membership in 1980 was reported as 250. Meanwhile, the constitution and/or early growth of the following "neighbor" churches had been aided, in part, by the accession of former members of Pleasant Grove: St. John, Aulander, Center Grove, Woodland, and Menola. The annual revival, or "protracted meeting," was a primary occasion for the addition of new members, 20 members being added by baptism - for example - following a week's protracted meeting in August 1884.

During her history of one hundred forty-three (143) years, Pleasant Grove has been served by twenty-nine (29) different pastors, in addition to others who have served on an interim or "supply" basis. The roster of faithful pastors has included: Harvey J. White, 1837-41; John Nowell, 1842-?; James Delke, 1851-?; John Mitchell, 1863-71; Hersey B. Parker, 1872-73; Benjamin Brown Williams, 1874-90; Braxton Craig, 1891-95; J.K. Fant, 1896-97; L.M. Curtis, 1898; E.J. Harrell, 1899-1906; Robert Lee Gay, 1907-08; Charles Wesley Scarborough, 1909-11; J.W. Downey, 1912-18; John Franklin Cale, 1919-24; E.W. Mason, 1924-26; J.L. Powers, 1926-31; K.E. Bryant, 1932-34; B.L. Davis, 1936-42; Joseph B. Folds, 1943-46; W.P. Milne, 1947-51; Austin F. Staples, 1951-52; W.J. Sheridan, 1953-58; L. Edgar Whitlock, 1959-61; Harold L. Rumfelt, 1961-65; Arden Bartley, 1966-67; J.N. Baggett, 1968-73; Isaac Timothy Mizelle, 1973-74; Bob Baker, 1975-78; and James Preston Greer, 1978 to the present.

34. The report on associational missions was given by Henry Powell.

Report of the Director of Associational Work

This past year has been a good one on the work of the West Chowan Baptist Association. We are deeply grateful to God and to our people for every accomplishment of the year.

All associational organizations have been active and report some of the best meetings that we have ever had. Several attendance records have been broken.

There has been a very good spirit in the association throughout the year -- a spirit of optimism, a spirit of progress and advance.

Perhaps one of the most important events of the year was the suggestion that came in the December meeting of the Executive Committee that the association go into the Long Range Strategy Planning Self-Study as recommended by the Home Mission Board. Mr. George Shore, director of the state convention's department of associational development came to discuss the self-study program with the Executive Committee in its March meeting. In July, the general board authorized the Executive Committee to appoint a 25-member Long Range Self-Study Planning Committe. In September the Executive Committee selected this committee and they are in the process of being contacted and enlisted. To date no one contacted has refused to serve on the committee. Just as soon as the committee has been enlisted, Mr. Shore will return to train the people and the work will begin. So, this year should be one of self-study, planning and preparation to the projecting of an associational program of work to guide and direct us for the next five to 10 years. Throughout the year, progress reports will be made and the final report with any recommendations should be ready for the 1981 annual session.

This has been one of the best years financially. We are grateful to our churches for the way they have responded to the needs of the association for financial support. We began the year with $1,990.72 in the checking account; we closed the year with a balance of $6,375.93.

The associational office continues to be one of the busiest places around. More and more of our people are taking advantage of the materials, equipment, and services provided through the office.

For me personally it has been a busy year. I am grateful for every opportunity to serve in any way. Please continue to call on us when we can be of help. There have been fewer opportunities just to visit in the churches during the year. If I have not been to your church recently, you can be assured that I am on the way; just haven't been able to get there yet.

We look forward to the coming year with greater anticipation than ever before. We believe that the Lord has great things in store for the West Chowan in the days ahead as we fellowship, share and work together for His Glory.

Respectfully submitted,
Henry Powell,
Director of Associational Work

41. Kenneth Bunch read the Scripture and led the opening prayer.

42. Mr. Bunch then extended a welcome to the 98th annual session. He stated that the association had not met at Bethlehem since 1903.

43. The history of Bethlehem Church was presented by Mr. Bunch.

History of Bethlehem Baptist Church

In 1835 a group of Baptists, many of them members of Ahoskie Baptist Church, came together and organized the congregation known as Bethlehem. All records of the church were destroyed from 1835 to 1842. The church was erected on two acres of land donated by Abraham Thomas. It has been said by folks in a position to know that the building would have been considered "comfortable" by that day's standard.

Bethlehem was admitted in the Chowan Association during the annual meeting at Bethel meeting house in Perquimons County, North Carolina during the May 12-15, 1836 meeting. The first messengers were W. Hill, A. Thomas, and James L. Grimes.

Elder Thomas Hoggard was the first pastor, serving for 10 years. The minutes record numerous improvements to the building and grounds.

In 1847, only 12 years after its formation, the church sent forth William P. Britton, Jr., to be ordained as a minister. Mr. Britton was later called as the church's fourth minister.

The first record of a Sunday school is found in 1854, when Augustus Bass, Sr., was appointed superintendant.

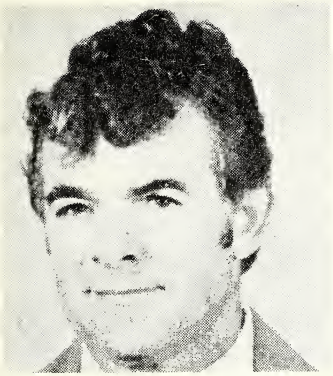
In 1858, a committee was named to be in charge of the construction of a new house of worship at Bethlehem Crossroads. The conference agreed that there would be "four doors to the meeting house," and that the new one would stand back of the old one. The construction started in September, 1858 when 10 men became responsible for $100.00 each and two agreed to pay $50.00 each. Rev. A.M. Craig was pastor in 1859, when the new building was completed.

The church had a slave gallery across the northern end. This was entered by an outside stairway. Women sat on the right hand side of the room and men on the left. A five-foot high partition, running down the middle of the church, prevented any view of the opposite sex.

The last colored members were Allen Harrell and Grammar Harrell, who asked for their letters of dismission in 1871. Most of the Negro members joined to form a new congregation which they named Bethany and stands about one mile from Bethlehem.

It was during the tenure of Rev. L.M. Curtis, that the present building was constructed. Willie Hofler of Gates County agreed to build a "nice, handsome, workmanlike building," on the order of the Connaritsa Church for $375.00. It was completed in the fall of 1902.

Bethlehem Baptist Church



Kenneth Bunch, Pastor

Bethlehem History (2)

Rev. K.E. Bryant was pastor in 1929. During his tenure the classrooms were increased from two to eight. Bethlehem was hit hard by the Civil War and the Depression, but survived to celebrate its 100th anniversary in 1935.

On October 5, 1970 under the leadership of Rev. J.I. McMahan, work began on the rear section of the church to provide additional classroom, fellowship hall and restrooms. It was ready for the first service of 1971.

Bethlehem and Brantleys Grove were in the same field in the sixties and up until 1975 when Rev. Ray Craig was called as pastor. At that time Bethlehem went into the field with Wakelon Baptist Church.

In 1975 under the leadership of Rev. Ray Craig, a parsonage was built on the church property at the rear end of the church building. It was completed in 1976.

Bethlehem passed a pleasant milestone on September 16, 1979, when a note burning took place to pay off the parsonage and make the church debt free. This took place at the 144th anniversary celebration with two former pastors present, Rev. Craig, and Rev. McMahan.

During 1980, Bethlehem celebrated its 145th year. Thus, since that first day in 1835, the story of a group of dedicated men and women giving their time and talents to worship God by building a church to house their vision - Bethlehem Baptist Church. Though time has taken her toll Bethlehem Baptist Church still has a task to perform. "To lift the banner of Christ to a lost and dying world." A direct quote from the pen of a deceased member who wrote a history of the church and has since gone to meet her maker sums up the history. "Incidents, fate, and dates in the life of a people may be interesting but the real history of a church lies not in tangible things but in the influence of the men and women who have been a part of it; those who have gone to their reward; those who have gone from the mother church and those who are still a part of it. That influence cannot be measured here but in the hereafter. Then let those who are still a part of old Bethlehem take courage and get inspiration from such noble forbearers and press onward and upward." (Miss Mary Thomas)

Submitted by Rev. Kenneth Bunch with help from W.D. Wiggins and Miss Ruth Thomas.

44. Dr. Hargus Taylor, chaplain of Chowan College, spoke briefly of the appreciation of the college to the churches of the association for their support and for the fine relations between the college and the churches.

45. Keith White, accompanied by Mrs. Daniel M. Spell, led the singing of the hymn, "Take the Name of Jesus With You."

46. Rev. James Langford read the Scripture and led in prayer.

47. Dr. W.D. Morris, pastor of the Earlys Baptist Church preached for the morning worship service.

48. Robert Clegg, chaplain of Campbell University, spoke on Christian education.

49. The hymn, "I've Found a Friend," was sung, led by Keith White, accompanied by Mrs. Spell.

50. Since the program was 30 minutes ahead of schedule, the moderator called for the report of the Place and Preacher Committee, Larry Bradley, chairman.

Mr. Bradley first presented the recommendation for place and preachers for the 1981 annual session (See 1981 schedule, in the front of this annual, title page); then the meeting schedule for the 1980's. After discussion the report was approved.

51. Robert White, chairman, presented the report of the Committee on Ordination.

Ordination Committee Report

The Ordination Committee was called upon three times during the year by member churches for the purpose of examining candidates for the gospel ministry.

1. Lewiston First Baptist Church requested the examination of Mr. Gary McCullough, son of the Rev. D.H. McCullough, graduate of Campbell University and student at Southeastern Baptist Theological Seminary.

2. Lasker Baptist Church requested the examination of Mr. V. Rodney Smith, pastor of the church and a student at Southeastern Seminary.

3. Pleasant Grove Baptist Church requested the examination of Mr. Tony Futrell, pastor of the Hebron Baptist Church and a student at Chowan College.

The committee met with each of the candidates and examined them concerning their conversion experience, call to the ministry, personal family life, education, views of the Bible, the church, the ordinances of baptism and the Lord's Supper, feelings and attitudes toward the local church, the association, the state and Southern Baptist Conventions and other pertinent questions.

In each case the council recommended that the candidate be recommended to his church for ordination to the gospel ministry.

Gary McCullough was ordained by the First Baptist Church of Lewiston on November 18, 1979. V. Rodney Smith was ordained by the Lasker Church on July 27, 1980. Tony Futrell was ordained by the Pleasant Grove Church on October 12, 1980.

Respectfully submitted,
Robert C. White, Chairman
Daniel M. Spell, Lemar Wheeler

52. Thomas Hupp led the closing prayer of thanks for the noon meal.

Seminary Extension Report

Seminary extension had a modest beginning in 1979-80 in our association. One class was held during the fall term and one class during the spring term.

The books of Ephesians and Phillipians were taught by H. LeRoy Huthmacher at the Aulander Baptist Church, October 1979 to January 1980. There were four students, each was awarded a certificate for this study.

There were five enrolled in RE 130, "Childhood Education in the Church." Four completed the course and received the certificate.

An attempt is now being made to determine interest in the association so that better plans can be made for the future. A list of courses available through seminary extension has been mailed to each pastor with the request that courses in which persons may be interested be indicated and returned to me.

Plans also include the establishment of at least four seminary extension centers in the association so that interested persons will be able to attend classes closer to their churches and homes.

To God be the Glory!
